

Umbrella Base

Iron Umbrella Base

This Hanover umbrella base proves that even the most functional accessories in your outdoor room can have just the right amount of style. In addition to being a sturdy foundation for your patio collection, this umbrella base features an exquisite woven design complementing the same intricate detailing embedded in the furniture.

Designed to last, this unit features an UV and weather resistant finish. Add this umbrella base to your patio collection today and make your backyard dining collection look cool, comfortable, and inviting.
