Precision Saw Chain Sharpening System

**SHARPENS**   
**ON THE SAW, ON THE JOB,**  
 **IN SECONDS**™

## HOW IT WORKS

### Easy to Use

PowerSharp® is a system that includes the PowerSharp® chain, the PowerSharp® guide bar, and the PowerSharp® bar-mount sharpener. Together, they work to make sharpening simple and easy.

#### ATTACH

When the chain dulls from normal use, dirt contact, or rock strikes, simply attach the bar-mounted sharpener to the PowerSharp® guide bar. Twin guide holes in the tip of the bar make perfect alignment foolproof.

#### SHARPEN

Press the tip of the sharpener to a solid surface for 3-5 seconds.

#### CUT

And it's back to the job, working faster with less effort.
