This warranty applies to products purchased from Aston Global Inc. after May 1, 2017.

Aston Global Inc., a Texas Corporation ("Aston"), provides the following warranty coverage for shower doors and enclosures, bathtubs, shower panels and related components (The Products). Aston warrants that The Products shall be free from defects in material and workmanship from the date of the original sale of the product by Aston (the "limited warranty period"), subject to the following conditions. This warranty extends to the original owner/end-user only, in its original place of installation and is not transferable to subsequent owners. Aston reserves the right to modify this warranty at any time; however, modifications will not change the warranty provisions in effect at the time of sale of the products in question. This warranty applies only to products sold by Aston and purchased from an Aston-authorized dealer. Proof of purchase / original sales receipt from the original consumer purchase must be provided with all warranty claims.

This limited warranty does not cover glass provided by others or outside fabrication provided by others, nor does it cover defects in material or workmanship caused by improper installation of the product; use of improper cleaning products or materials; or caused by accidents, owner or installer negligence, alterations, abuse or misuse. This limited warranty is limited to the repair and replacement of the defective product originally sold by Aston, or, at Aston's sole discretion, the payment to the original user of the original purchase price for the product paid to Aston. Aston is not responsible for the removal or reinstallation of a product requiring warranty service or the cost thereof. Shipping cost to replace product or parts covered by this warranty are the responsibility of the original user.

Aston disclaims liability for special, incidental or consequential damages. ASTON'S LIABILITY SHALL NOT EXCEED THE PURCHASE PRICE OF THE UNIT IN QUESTION.

In order to make a warranty claim, the original user shall notify the Aston Customer Service Department within thirty (30) days of discovering the defect and/or problem. The original user can provide notice by calling Aston's Technical Service Department at (877)-424-9699, or by sending written notice to: 2805 Market Street, Suite 187, Garland, TX 75041, Attention: Customer Service Department. The notification shall specify the date the product was originally sold by Aston, the registration code, and the nature of the defect in material and/or workmanship. Based on such notification, Aston may request additional information from the original user to verify the claim.

This warranty is extended to residential applications only. The warranty for commercial installations is one year. Aston products must be installed in accordance with Aston's installation instructions by a fully insured, licensed and skilled professional. Installation of The Products by anyone other than a fully insured licensed professional shall void the warranty. Aston recommends that licensed and skilled professionals have experience installing bathroom products, specifically shower and tub doors. Installation by an unlicensed or inexperienced installer may result in damage and/or breakage to the Products and may cause personal injury.
