Warranty on your Lutron 100 W C.L dimmer or 150 W C.L dimmer or 250 W C.L dimmer will be void if used with bulbs that are not on this Lutron compatible bulb list.

Please note: Bulb variations in lamp design and construction affect performance. Bulb manufacturers can modify their bulbs at any time, without notice to Lutron. This prevents Lutron from ensuring ongoing compatibility. For up-to-date specifications, performance, and/or any related recall information about the bulb, please visit the bulb manufacturer's website.

This document provides information from manufacturers who are not Lutron agents or affiliates. The listing of a manufacturer or the existence of any external link to another website does not suggest that Lutron is endorsing the linked company, its products and/or its services. Purchasers should ask appropriate questions and request references before buying any products and/or entering a contract with any party. The information contained in this document is intended for illustrative and comparative purposes only, and is subject to change at any time. Lutron does not warrant that (a) the list of manufacturers is all-inclusive; (b) the information is complete, up-to-date, accurate and/or error-free; (c) the products and Lutron controls listed will always be compatible; and (d) that the information provided will be a viable or appropriate solution for your project needs. You are entirely responsible for and assume all risk for the use of the information.
