The BLUEFALL SM-DA29-00020b is compatible with the following obsolete or alternate filter part numbers:

46-9101	DA-97-08006A	DA29-00020A	DA2900020B	HAF-CINEXP
4609101000	DA-97-08006A-	DA29-00020B	DA97-08006A-B	HAFCIN
469101	B	DA2900019A	HAF-CIN	WF294
9101	DA-97-08006B	DA2900020A	HAF-CIN-EXP	
	DA29-00019A			

How To Install BLUEFALL SM-DA29-00020b Filter:

Shut off the main water supply valve to the refrigerator
Remove old cartridge by grasping firmly and twisting counterclockwise 1/4 turn
Push new filter into the filter receiver and turn 1/4 turn clockwise until it locks
Turn on the main water supply valve to the refrigerator
Flush the refrigerator water system after replacing the water filter cartridge. Sputtering may occur until air is purged from water line and filter
Reset water filter status display - replace filter every 6 months
