INTRODUCING  
BEHR® 2019  
COLOR OF THE YEAR

BLUEPRINT  
S470-5<sup>M</sup>Ⓢ

wall: BLUEPRINT S470-5<sup>M</sup>Ⓢ

BEHR'S COLOR OF THE YEAR IS A BLUEPRINT  
FOR THE FUTURE OF COLOR.

Chosen for its universal appeal, Blueprint is a relaxed hue that feels honest and true, tapping into the idea of shared experiences, peaceful environments and timeless relevance.

Blueprint is to be used on walls, ceilings and furniture. It can be layered with other blues and supports a full range of earth tones from taupe to terracotta.

As an accent, Blueprint supports both luxurious jewel tones and dusty pastels.

We invite you to explore Blueprint and all of the other engaging colors in the 2019 Color Trends palette to enhance your home.

**TREND INSIGHT:** Embracing a full range of blue, teal and gray is a key direction for 2019 trends. Layer light and dark blues on walls, cabinets, furniture and decor items for impactful results. Brushes of metallic gold add a touch of luxe.

**TECHNIQUE: BRUSHED OMBRE STRIPES**

An evolution to the ombre wall, hand-brushed stripes add interest to a small guest bath.
