

Landscape Rocks

Enhance you outdoor landscape with ease using durable rotomolded outdoor Landscape Rocks.

RTS Landscape Rocks replicate the natural look, texture and colour of real Armor Stone without the cost, mess, digging or lifting.

Add RTS Landscape Rocks to your outdoor environment with ease... just flip it over, fill with pebble stone, place in your desired spot and landscape.

The durable double walled construction is suitable to leave outdoors all year long without rotting or fading. Fill with water or sand through the threaded hole for added stability.
