LIMITED PRODUCT WARRANTY

Thank you for purchasing product(s) from Quoizel, Inc. Quoizel is dedicated to providing our customers with an outstanding lighting experience. Our comprehensive product coverage is reflective of our commitment to our customers' ongoing satisfaction.

Quoizel warrants all its products to be free from defects in material and workmanship, subject to certain conditions and exclusions. Quoizel products have the following warranties applied from the date the Product was shipped to the original end use purchaser:

INDOOR LIGHTING FIXTURES

ELECTRICAL COMPONENTS	1 YEAR
Integrated LED (LED Bulbs Excluded)	5 years
Finish	1 year

Indoor fixtures are constructed for indoor use only. If these fixtures are installed outside and exposed to the elements, it is likely the finish will change due to this exposure. Please be aware that installing an indoor fixture outside will void the complete manufacturer's warranty.

OUTDOOR LIGHTING FIXTURES

ELECTRICAL WIRING & SOCKETS	1 YEAR
Integrated LED (LED Bulbs Excluded)	5 years
"Armour" Finish	5 years
Finish	2 years

FINISH WARRANTY EXCLUSIONS

Outdoor Finishes:

Finishes for fixtures installed outdoors are subject to change due to prolonged exposure to sunlight, pollutants and other environmental conditions. Metal finishes on outdoor fixtures will naturally mature over time, changing in appearance and creating a living finish. Painted finishes on outdoor fixtures may naturally fade over time, depending on the fixture's exposure to the outdoor elements. Thus, any claim for fading, discoloration or "patina" of a finish on an outdoor fixture is not applicable to the above warranty. See the "Finish Care & Cleaning" instructions below for proper care and maintenance of your fixture.

Coastal Environments:

The environment within 10 miles of a seacoast can be extremely corrosive. Even with the appropriate maintenance, products installed in this environment will typically deteriorate more quickly than products installed in a less severe environment. Some corrosion and/or deterioration is considered "normal wear" in this environment. Thus, any claim for finish failures or for corrosion of other components due to coastal environment conditions is not applicable to the above warranty.

FINISH CARE & CLEANING

Initial care for finishes requires only periodic cleaning with a soft cloth, dampened with water. A mild non-abrasive soap may be used along with a soft cloth and water if the fixture is very dirty. Care should be taken to avoid abrasive materials and strong cleaning agents, as they will quickly destroy the protectant.

PROOF OF PURCHASE

Please save your store receipt as proof of purchase, as our Limited Warranty only applies to products which were purchased from an authorized Quoizel store or dealer.
