

Push Broom & Squeegee

Description: Assembly Instructions

NOTE: Be sure that you have all of the parts before you start to assemble.

PUSH BROOM ASSEMBLY

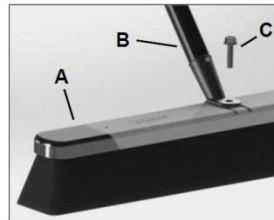

- Align the Broom Handle (B) connector with the grooves in the Broom Head (A)
- Securely tighten the Broom Handle to the Broom Block using Bolt (C).
- Loosely assemble Left Broom Brace (F) and Right Broom Brace (G) using Bolts (E). Do not tighten all the way.
- Slide the Broom to the Broom Head using Screws (D) and tighten.
- Finish tightening Bolts (E).

Part	Description	QTY.
