

NATURAL STONE & LARGE TILE

PREMIUM LARGE FORMAT TILE MORTAR

A premium quality, polymer-modified mortar for any size natural stone or large format ceramic or porcelain tile 15" (38 cm) or larger on one or more sides, clay pavers or other thin or medium bed applications. With a non-slumping formula that reduces the chance for lippage and promotes level tile installations, CUSTOM's Natural Stone & Large Tile Mortar can be applied for horizontal applications as thick as 3/4" (19 mm) or for thin bed applications to 1/4" (6 mm).

This product was formerly named Marble, Granite & Travertine Premium Mortar.

Key Features

- High bond strength
- Supports large and heavy tile for flat, even floor installations
- Sag and slip resistant - immediately holds wall tiles in place

Suitable Tile Types

- Vitreous, semi-vitreous or non-vitreous tile: ceramic, quarry, cement body tile, pavers
- Impervious porcelain
- Brick and stone veneer
- Cement-based precast terrazzo
- Gauged or ungauged natural stone tile
