- The classic look of marble will enrich your home's value. Use this tile on walls, backsplashes in kitchens and bathrooms and some floor applications such as residential bathroom.
- It works well with other complementary stone or ceramic field tiles. Recommended for kitchen backsplashes, shower walls, accent walls, bath walls and bath floors. Penetrating sealers recommended before grouting.
- Recommend white "polymer-modified" thin set and non-sanded grout for best installation results.
