Safety Data Sheet
Issue Date 22-May-15 Revised 22-May-15

Section 1
Product and Company Identification:

Product Name: Mean Klean™ Concrete Dissolver
Product Use: Concrete Dissolver to clean equipment and tools
Manufacturer’s Name: NewLook International, Inc.
Manufacturer’s Address: 1525 South Gladiola Street Suite 8 Salt Lake City, UT 84104
Information Phone: NewLook International, Inc. 801.886.9495 or 877.763.9566
Emergency Contact: CHEMTEL 1.800.255.3924, Outside the USA +1.813.248.0585

Section 2
Hazards Identification:

Product Hazard Category:
Acute Toxicity – Category 4 (Inhalation)
Skin Corrosion – Category 1A
Eye Irritation – Category 1

Label Content: Pictogram

Signal Word: DANGER

Hazard Statement:
Will cause eye damage
Will cause skin burns
May cause respiratory irritation

Precautionary Statement: Prevention
Wear Safety goggles to protect eyes.
Wear chemically resistant gloves and aprons to minimize contact with the skin.
When respiratory protection is required, use only NIOSH/MSHA approved respirators in accordance with OSHA Standard 29 CFR1910.134.
Use only with adequate ventilation.
Do not take internally.
Keep out of the reach of children.
Wash hands thoroughly after handling, especially before eating or smoking.
Other Hazards: Not Known
Section 3
Composition/ Information on Ingredients:

Section 4
First Aid Measures:

Precautionary Statements: Response
Inhalation: Move to fresh air. Give artificial respiration, if not breathing. If breathing is difficult, seek medical attention.

Ingestion: If swallowed, DO NOT induce vomiting seek medical attention immediately.

Eye Exposure: Immediately flush eyes with large amount of water for at least 15 minutes, occasionally lifting upper and lower eyelids. Seek medical attention immediately.

Skin Contact: Wash exposed area with water, then soap and water. Remove and clean contaminated clothing. If irritation persists, seek medical attention.

Section 5
Firefighting Measures:

Suitable Extinguishing Media: Use water fog, dry chemical, or CO₂

Unsuitable Extinguishing Media: Not Known

Specific Hazards in Case of a Fire: Not Known

Special Protective Equipment and Procedures for Firefighters: Wear self-contained breathing apparatus with a full-face piece operated in positive pressure mode and full protective clothing.

Other Information: Will react with most metals, releasing potentially explosive hydrogen gas.

Section 6
Accidental Release Measure:

Personal Precautions: Wear personal protective equipment, such as a respiratory mask. Avoid breathing in product vapors.

Environmental Precautions: Do not allow product to seep into drains, sewers and natural water. Spills should be collected with absorbent, like NewLook’s Absorbent, for disposal. Place in a labeled container(s) to be sealed for disposal. Dispose in accordance with applicable local, state or federal regulations.

Section 7
Handling and Storage:

Precautions for Safe Handling: Store in a cool, dry place with adequate ventilation. Keep containers closed when not in use. Product will freeze if stored below 32°F. Product damage will occur if frozen.
Section 8
Exposure Control/ Personal Protection:

Exposure Limits:

Information on System Design: Use only with adequate ventilation. Keep container closed when not in use.

Appropriate Engineering Controls:

Engineering Controls:
Eyewash Stations
Showers

Eye Protection: Wear safety goggles.

Skin Protection: Wear chemically resistant gloves and aprons to minimize contact with the skin.

Respiratory Protection: Use only with adequate ventilation. Avoid conditions, which result in formation of inhalable particles, such as spraying or sanding painted surfaces. In such conditions cannot be avoided, use respiratory protection only use NIOSH/MSHA approved respirators in accordance with OSHA standard 29 CFR1910.134.

General Hygiene Considerations: Wash hands thoroughly after handling, especially before eating or smoking.

Section 9
Physical & Chemical Properties:

Physical State: Liquid
Color: Green
Odor: N/A
Odor Threshold: N/A
pH Value: 2 - 3
Melting Point: 50°F (10°C)
Freezing Point: 32°F
Initial Boiling Point: 234°F (110°C)
Flash Point: Will not Flash
Evaporation Rate: Water 1.0
Flammability (solid, gas): Not Flammable
Explosion Limits: Lower Limits: N/A Upper Limits: N/A
Vapor Pressure: 0.017 hPa at 77°F (25°C)
Vapor Density: N/A
Solubility: Soluble
Auto Ignition Temperature: N/A
VOC: 0

Section 10
Stability & Reactivity:
Stability: Stable
Hazardous Polymerization: Will not occur
Conditions to Avoid: Excessive heat, poor ventilation and oxidizing agents
Materials to Avoid: Oxidizing agents, strong alkalis or active metals.
Hazardous Decomposition Products: Will not occur

Section 11
Toxicological Information:

Routes of Entry: Inhalation, Ingestion, Skin and Eyes
Toxicity to Animals: Corrosive
Chronic Effects on Humans: Not Established
Special Remarks on Toxicity: Unlikely to cause harmful effects under recommended conditions of handling and use.

Section 12
Ecological Information:

Eco-toxicity: Aquatic Toxicity (Guideline 201 and 202)
Products and Biodegradation: Biodegradable, according to appropriate OECD tests
Special Remarks on the Product of Biodegradation: Ingress to waterways may cause persistent turbidity.

Section 13
Disposal Considerations:

Waste Disposal Method: For large quantities, place material in a settling pond and add ferric acid or lime. Decant water. Dispose of waste with Absorbent, like NewLook’s Absorbent and dispose of waste in accordance with local, state and federal environmental law. This product may be considered hazardous waste as defined in RCRA regulations due to its corrosive characteristics.

Section 14
Transport Information:

DOT Proper Shipping Name: Concrete Cleaner/Dissolver
DOT Hazard Class ID Number: Non-hazardous, Not required, Class 55

Section 15
Regulatory Information:

SARA (Title III) Section 313: Not subject to Reporting Requirements
TSCA (5/1997): All components are on the TSCA inventory list.
Federal Hazardous Substance Act: Product is a hazardous substance subject to statutes promulgated under the Subject Act.
Canadian Environmental Protection Act: All components of this product are on the Domestic Substance List (DSL) and acceptable for the use under the provisions of CEPA.
Canadian WHMIS: Considered to be a non-hazardous material

Section 16
Other Information:

The SDS should be read before product disposal. Pass SDS information to all persons who could be exposed to the product. The SDS has been prepared according to OSHA hazard Communication Standard (29 CFR 1910.1200). To the best of our knowledge, the information contained herein is accurate and based on sources believed to be reliable. However, since data, safety standards and government regulations are subject to change, NewLook International, Inc. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information.
The data on this sheet is related only to this specific material. It may not be valid for this material, if used in combination with other materials. It is the end user's responsibility to determine suitability and completeness of this information with regard to a particular use. Additional information may be necessary or helpful for specific conditions and circumstances of use. Unknown hazards may exist and this material should be used with caution. NewLook International, Inc. assumes no legal responsibility for use or reliance upon this data.

**HMIS:** H=2, F=1, R=0, P=0 (0 = Minimal, 1= Slight, 2= Moderate, 3= Serious, 4= Severe)

ACGIH: American Conference of Government Industrial Hygienists
CAS: Chemical Abstracts Service Registry
MISHA: Mine Safety and Health Administration
NFPA: National Fire Protection Association
NIOSH: National Institute for Occupational Safety and Health
OSHA: Occupational Safety and Health Administration
PEL: Permissible Exposure Limit (OSHA)
STEL: Short Term Exposure Limit (ACGIH)
TLV: Threshold Limit Value (ACGIH)
IARC: International Agency for Research on Cancer
HMIS: Hazardous material Identification System
