

# Square D Surgelologic Surgebreaker Plus Whole House Surge

Advanced appliance and electronics protection

The Surgelologic™ Surgebreaker™ Plus Surge Protective Device protects the entire home from high-energy power surges and low-energy repetitive surges by delivering surge suppression. Surgebreaker Plus surpasses competition through sophisticated modular technology, compact footprint, ease of installation, and easy retrofit capabilities.

## The Surgelologic™ Surgebreaker Plus Advantage

- > **Easy to install** — Few screws needed, modules snap into place
- > **Saves space** — Compact design requires minimal space
- > **Maximum surge suppression** — Includes HEPD80 for long lasting protection against more powerful surges, up to 80 kA and offers 120/240V AC voltage protection
- > **Extends protection** — Whole house protection including appliances, HVAC, lighting, cable, ethernet, and telephone
- > **Five Year Warranty** — \$75,000 downstream equipment protection
- > **Application flexibility** — Removable modules (cable, ethernet, and telephone) allow quick and easy installation customization
