

PRODUCT INSTRUCTIONS

Instructions for **Spectrum Bordeaux Knock Down 5-Bottle Wine Rack**

1. Remove item from box and set all items aside. Be sure your box includes both side racks, six screws, and three bars (two straight and one curved).
2. Connect one side of the wine rack with the appropriate bars (the curved bar on top and the two straight bars on the bottom).
3. Place a screw into the end of the bars and securely tighten each screw into the rack with a screwdriver.
4. Align the other side of the wine rack with your semi-constructed piece and securely tighten the remaining screws into the rack with a screwdriver.
