Light

Indoors: High light

Indoors: Low light

Indoors: Medium light

Fertilizer

Once or twice a year

Water

Medium water needs

Special Features

Colorful foliage

Purifies the air

Plant Features

Dieffenbachia is one of the easiest indoor houseplants to grow. This tropical shrub shows off lush leaves that are usually marked in shades of cream, yellow, or white, making dieffenbachia a top pick for brightening dim corners indoors. Dieffenbachia adds fun color and texture without flowers.

For Reviews and Comments:

Our growers are working diligently to bring you 5-star quality plants. We hope you enjoy your purchase and would be so kind to leave us a 5-star review on your retailer's website.
