

NuTub Bathtub & Shower Floor Repair Inlay Kit Warranty

What This Warranty Covers: The manufacturer (“Manufacturer”) warrants its parts and products to be free of substantial defects in materials and workmanship from the original date of purchase under normal home use. This warranty is offered only to the original consumer purchaser and may not be transferred.

What We Will Do Under The Warranty: During the warranty period, Manufacturer will replace any part of product that proves to have substantial defects in materials or workmanship, or Manufacturer will provide an equivalent replacement product. In keeping with our policy of continuous product improvement, Manufacturer reserves the right to change specifications in design and materials without notice and with no obligation to retrofit products we previously manufactured.

How State Law Applies: This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

Implied Warranties: Manufacturer disclaims any implied warranty of merchantability, and there are no warranties that extend beyond the descriptions on the face hereof. To the extent that such disclaimer is not valid under applicable law, any implied warranty shall be coextensive in duration with this warranty.

Color Limitations: Because of the differences in bathtub and shower pan fixture colors from manufacturer to manufacturer, Manufacturer cannot guarantee a perfect color match.

What This Warranty Does Not Cover: This warranty does not cover any problems or damages which result from improper transportation, improper installation, mishandling, misuse, abuse, neglect, abnormal use, commercial use, improper maintenance, non-authorized repairs, accidents or acts of nature such as hurricanes, fire, earthquakes or floods. This warranty and any applicable implied warranties does not cover incidental or consequential damages arising from any defects in the product, such as labor charges for installation or removal of the product or any associated products. This warranty does not cover defects or damage caused by normal wear and tear, alterations or mold. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

How to Obtain Warranty Service: If you need replacement parts or would like to make a warranty claim, please contact our Customer Service Department at (800) 888-1081. All warranty claims must include the model number of the product, copy of the original receipt and the nature of the problem. In addition, Manufacturer may at its discretion require photos of the defective product or authorize the prepaid return of the claimed defective part. Merchandise not pre-approved for return will not be accepted and the associated claim not accepted.

Products should be examined for defects prior to installation. This warranty also does not cover labor charges for installation or removal of the product or any associated products. If upon inspection you find our product has a damaged or missing part, it may not be necessary to return the unit to the store of purchase. Please contact Customer Service to possibly obtain a replacement part.
