HADEN

ESTD. ENGLAND 1958

Our brand has a rich history, with over 150 years of experience in manufacturing. It was in the Midlands, England, where the Haden family pioneered in making the electric kettle safe for households. Shortly after, came our development of the cordless kettle that would change the way we make a cup of tea forever.

1869

The journey begins making bicycles in Hockley, Birmingham.

1939

During WW2 - produced tank parts for the military.

1944

Manufacturing kettles began.

1958

Haden brand was born.

1958-1980's

Pioneered the Haden cordless kettle.

1981

Engineered safety mechanism for kettles.

Haden becomes synonymous with the words 'Electric Kettle'

Present
