ITEM DETAILS:

A shimmering oasis awaits you with our Mermaid Lagoon 10-7/8 in. x 11-3/8 in. Glass Mosaic Tile. Cerulean and turquoise honeycombs transform any space into a serene retreat by glittering light throughout the room. Jeffrey Court recommends the use on non-sanded grout. While grouting, metallic tools should not be used in order to avoid scratching. Instead use tools made of rubber, plastic or some combination of polyurethane, rubber or plastic to complete the grouting process. Sanding of cut glass edges is recommended to ease "sharp" edge.
