

STEEL CORE

300 LB. CAPACITY 30" x 16" 2-SHELF
STEEL SERVICE TOOL CART

42813

**Actual product may vary slightly*

Please carefully read and save these instructions before attempting to assemble, maintain, install, or operate this product. Observe all safety information to protect yourself and others. Failure to observe the instructions may result in property damage and/or personal injury. Please keep instructions for future reference.

For warranty purchases, please keep your dated proof of purchase. File or attach to the manual for safe keeping.

Tool Cart Safety Warnings

1. Do not ride or climb on Cart. Keep away from children.
2. Do not exceed 300 lb. capacity, evenly distributed.

Be aware of dynamic loading!

Sudden load movement may briefly create excess load causing product failure.

3. Use only on a flat, level surface able to support Cart and load.
4. Wear ANSI-approved safety goggles during assembly.
5. Inspect before every use; do not use if parts are loose or damaged.

Assembly Instructions

For additional information regarding the parts listed in the following pages, refer to the Assembly Diagram near the end of this manual. Unwrap and separate all parts on a clear work area.

Attaching Posts to Bottom Tray

Lay the Bottom Tray (2) (the tray with four sets of four holes on the bottom) on the floor and attach the Posts (7) to the outside corners of the tray using sixteen Bolts (9), Washers (11), and Lock Nuts (8).

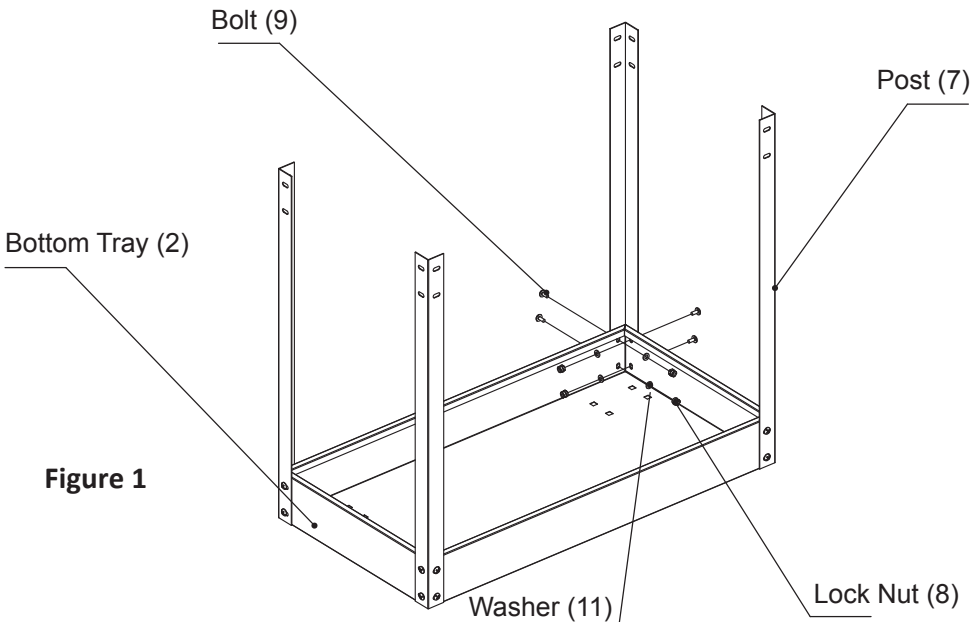

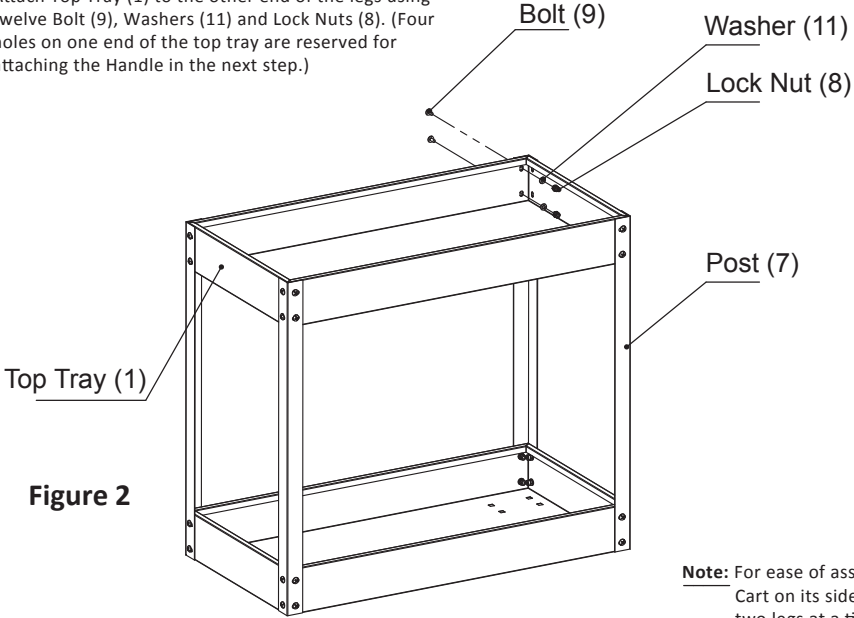

Figure 1

Attaching Top Tray

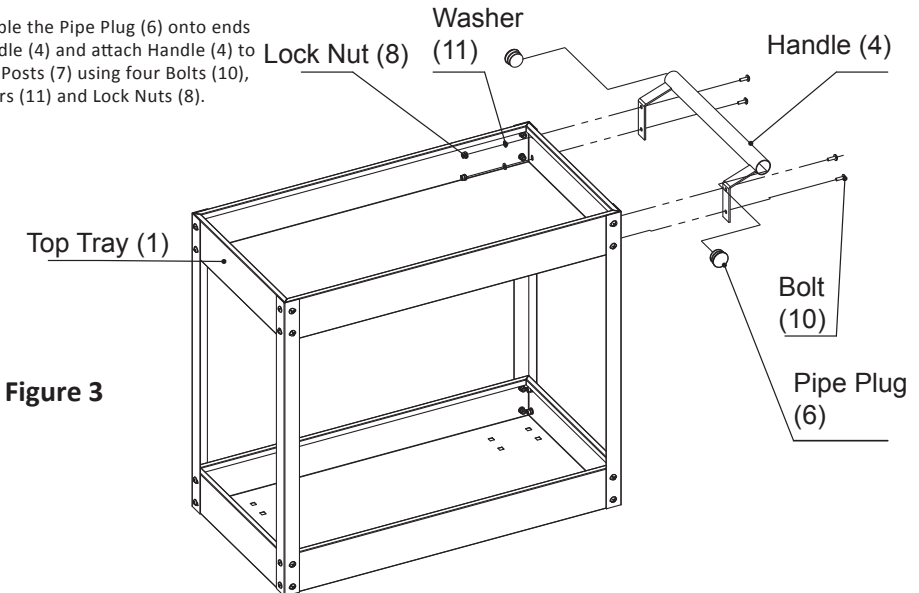

Attach Top Tray (1) to the other end of the legs using twelve Bolt (9), Washers (11) and Lock Nuts (8). (Four holes on one end of the top tray are reserved for attaching the Handle in the next step.)

Note: For ease of assembly, set the Cart on its side and work on two legs at a time

Attaching Handle

Assemble the Pipe Plug (6) onto ends of Handle (4) and attach Handle (4) to end of Posts (7) using four Bolts (10), Washers (11) and Lock Nuts (8).

Assembly Instructions (Continued)

Attaching Wheels

1. Decide on which end of the Cart to mount the pair of Rigid Wheels (5) and pair of Swivel wheels (3). For example, mounting the Fixed Wheels on the Handle end of the Cart will make a push Cart like those in a grocery store.
2. Attach each Fixed Wheel to one end of the Bottom Tray (2) using four Bolts (12), Washers (13) and Lock Nuts (14).
3. Attach each Swivel Wheel (3) to the remaining end of the Bottom Tray (2) using the remaining Bolts (12), Washers (13) and Lock Nuts (14).

Limited Manufacturer Warranty

FOT makes every effort to ensure that this product meets high quality and durability standards. FOT warrants to the original retail consumer a 1-year limited warranty from the date the product was purchased at retail and each product is free from defects in materials. Warranty does not apply to defects due directly or indirectly to misuse, abuse, negligence or accidents, repairs or alterations, or a lack of maintenance. FOT shall in no event be liable for death, injuries to persons or property, or for incidental, special or consequential damages arising from the use of our products. To receive service under warranty, the original manufacturer part must be returned for examination by an authorized service center. Shipping and handling charges may apply. If a defect is found, FOT will either repair or replace the product at its discretion.
