- Multi Color
- Rustic
- Verde River

MAINTENANCE & CARE INFORMATION

Your SoterraSlate has been treated with a high performance sealer to ensure years of protection and satisfaction. To help preserve the life of the sealer and because the SoterraSlate is a low maintenance product, harsh everyday cleaners and abrasive cleaners are not recommended or necessary for routine maintenance. For routine cleaning, use Aqua Mix "Marble, Travertine, Limestone & Slate Cleaner & Resealer". Use of common shower cleaning products, abrasives and spray-on cleaners may damage the sealer and/or the stone and will void the warranty.
