DampRid

Moisture
Absorber

- Attracts & Traps Excess Moisture
- Eliminates Musty Odors
- Creates Fresher, Cleaner Air

Excess moisture occurs from the weather, taking a shower or bath, washing or cooking. When excess moisture inside your home gets above 60%, it can make your home uncomfortable. Excess humidity makes the air feel wet, clothing feels damp, condensation builds up on walls and windows, wood swells, doors stick, and it will feel hotter.

DampRid Moisture Absorber with Drop-In Tab is made from natural ingredients to eliminate excess moisture, prevent musty odors and make your home feel more comfortable. DampRid never dries the air to a level that damages plants, furniture or household goods. DampRid Drop-In Tabs last up to 60 days.*

*depending on temperature and conditions

DIRECTIONS FOR USE:

IMPORTANT: Always hold container from bottom. Do not pick up by holding or squeezing top alone.

- | | | | |
|--|--|--|---|
| | Remove container from carton and separate top from bottom. Remove tab from container bottom. | | Place in desired location on flat surface. DampRid starts to absorb moisture immediately into tab but liquid dripping into bottom chamber may take a while. |
| | Place top back on bottom and be sure to snap fit so container does not fall apart in use. | | When liquid reaches FULL line or tab has dissolved, empty liquid. |
| | Remove tab from pouch. Place tab in top container. | | While holding cover open, as shown, empty liquid by pouring down toilet. Rinse residue if needed. Refill with new tab. |

Suggested Uses

CAUTION: EYE IRRITANT. HARMFUL IF SWALLOWED.
Contains Calcium Chloride. Avoid contact with eyes and skin. Do not take internally.

First Aid:
For eye contact, flush with water for 15 minutes, removing any contact lenses. Get immediate medical attention. For skin contact, wash with plenty of soap and water. If irritation persists, get medical attention. If ingested, get immediate medical attention.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IN MOVING VEHICLES.

PRECAUCIÓN: IRRITA LOS OJOS, NOCIVO SI SE INGIERE.
Contiene cloruro de calcio. Evite el contacto con los ojos y la piel. No lo ingiera.

Primeros Auxilios:
En caso de contacto con los ojos, enjuague con agua durante 15 minutos. Sáquese las lentes de contacto. Obtenga atención médica de inmediato. En caso de contacto con la piel, lave con abundante agua y jabón. Si la irritación persiste, obtenga atención médica. En caso de ingestión, obtenga atención médica de inmediato. NO LO DEJE AL ALCANCE DE LOS NIÑOS. NO LO USE EN VEHÍCULOS EN MOVIMIENTO.
