

Getting Started with Echo

Install devices

Download apps

Connect fan

Connect accounts

Install your fan and set up your Amazon Echo according to their instructions. Know your Wi-Fi router's SSID and password.

Download the Haiku® Home and Amazon Alexa apps on the App Store (iOS®) or on the Google Play Store (Android®).

Open the Haiku Home app and follow the instructions to connect your fan and create your Haiku Home account.

Use the Alexa app to connect your Amazon account to your Haiku Home account. Discover your fan within the Alexa app.

For a list of Alexa utterances to use for hands-free control of your ceiling fan, visit haikuhome.com/echo

Contact Us

For more information on using the Haiku Home app, or for fan maintenance tips and troubleshooting tips, call us at (855) 490-3048, email retail.help@haikuhome.com, or visit guides.haikuhome.com/help.htm

Warranty

Your Haiku Home warranty covers your fan against all defects in workmanship and materials from the date of purchase. The motor is covered for its lifetime. The motor controller and LED light are covered for five years (parts). All other fan components are covered for one year (parts). You must be the original purchaser of the product to be covered.
