Care Instructions:

All our coated finishes are specially processed for long lasting beauty. To clean your product, just wipe with a soft, damp cloth. Never use abrasive or harsh cleaners.

Polished Brass No Lacquer finish is considered a “living finish” and does not have a coating. Oil or furniture wax may be applied periodically to enhance the finish’s appearance. We suggest coating the entire piece of hardware and then remove the excess with a clean, soft cloth. Aged or worn hardware may require a second coat.
