Description

This integrated LED indoor or outdoor (suitable for damp or dry locations only) brushed nickel bath or vanity convertible flush mount ceiling fixture, wall mount, or wall sconce features a white round / circle acrylic lens. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Indulge in this piece's contemporary design. Clean, minimal design blends in seamlessly with surroundings and existing décor. Features cold temperature startup in weather as low as 20°C (suitable for damp or dry locations only). Operates up to 75°C. Perfect complement to stainless-steel appliances, hallways, kitchens, living rooms, bedrooms, studies, lobbies, restaurants, and many other indoor or outdoor areas (suitable for damp or dry locations only). Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
