POLY
GOR62-COM

Lawn & Garden Collection

Uses: Garden Soil, Mulch, Sporting Events

QUICK-RELEASE DUMPING

The GOR62-COM Garden Poly Cart saves time on projects and is easier to dump and unload than traditional wheelbarrow options. The structural steel frame, 4-wheeled stability and 13" pneumatic tires make the GOR62-COM able to tackle garden projects

TOWABLE HANDLE

Easy grip handle minimizes hand discomfort while the pin-lock mechanism allows the handle to be converted to pull behind an ATV or tractor

PIVOT STEERING

The tight-turn steering is made possible by Gorilla Carts® quick-turn technology, pivoting on a center axis. The pass through design of the front and rear axles allow for maximum ground clearance and easy hauling
