

LIMITED EXPRESS WARRANTY PATRIOT® OIL FURNACE

This limited express warranty is applicable to the Patriot® Series of Oil Furnaces manufactured by MARS.

LIMITED EXPRESS HEAT EXCHANGER WARRANTY

Comfort-Aire/Century warrants the primary heat exchanger and the secondary heat exchanger to be free from defects in material and workmanship to the original owner for his/her lifetime when installed in the purchaser's privately owned, single family residence. The warranty applies only when the furnace is installed per Comfort-Aire/Century installation instructions and in accordance with all local, state and national codes for normal use.

LIMITED TWENTY (20) YEAR EXPRESS WARRANTY

Comfort-Aire/Century warrants the primary heat exchanger and the secondary heat exchanger of the Patriot® Oil Furnace to be free from defects in material and workmanship for a period of 20 years from the original installation date when installed in a non-residential application or in privately owned residence purchased from the original furnace owner, subject to proof of purchase. The furnace must be installed per Comfort-Aire/Century installation instructions and in accordance with all local, state and national codes for normal use.

LIMITED FIVE (5) YEAR PARTS WARRANTY

All other components of the Patriot® Oil Furnace are warranted to be free from defects in material and workmanship for a period of five (5) years from the date of purchase by the original owner provided the furnace is installed per Comfort-Aire/Century installation instructions and in accordance with all local, state and national codes for normal use.

EXCEPTIONS

The Limited Express Warranty does not cover normal maintenance— Comfort-Aire/Century recommends that regular inspection/maintenance be performed at least once a season and proof of maintenance be kept. Additionally, labor charges, transportation charges for replacement parts, replacement of filters, any other service calls/repairs are not covered by this Limited Warranty. It also does not cover any portion or component of the furnace that is not supplied by Comfort-Aire/Century, regardless of the cause of failure of such portion or component.

CONDITIONS OF WARRANTY COVERAGE

The warranty begins on the date of purchase by the original consumer. The consumer must retain a receipted bill of sale as proof of warranty period. Without this proof, the express warranty begins on the date of shipment from the factory.

REMEDY PROVIDED BY THE LIMITED EXPRESS WARRANTY

The sole remedy under the Limited Warranty is replacement of the defective part. If replacement parts are required within the period of this warranty, MARS replacement parts shall be used; any warranty on the

replacement part(s) shall not affect the applicable original unit warranty. Ready access to the unit for service is the owner's responsibility. Labor to diagnose and replace the defective part is not covered by this Limited Express Warranty. If for any reason the replacement part/product is no longer available during the warranty period, MARS shall have the right to allow a credit in the amount of the current suggested retail price of the part/product instead of providing repair or replacement.

LIMITATION OF LIABILITY

1. There are no other express or implied warranties. MARS makes no warranty of merchantability. We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
2. All warranties implied by law are limited in duration to the five-year term of the parts warranty. Your exclusive remedy is limited to the replacement of defective parts. **We will not be liable for any consequential or incidental damages caused by any defect in this unit.**
3. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
4. No warranties are made for units sold outside the continental United States and Canada. Your distributor or final seller may provide a warranty on units sold outside these areas.
5. MARS will not be liable for damages if our performance regarding warranty resolution is delayed by events beyond our control including accident, alteration, abuse, war, government restrictions, strikes, fire, flood, or other acts of God.
