Subject to limitations and exclusions below, Home Brands, Inc., dba Sheds USA (“Sheds USA”), warrants to the original purchaser (the “Buyer”) of each new Sheds USA product (the “Product”) that each Product shall be free of structural defects for the period of time specified on product brochure (at the time of purchase). Also subject to these same limitations, Sheds USA warrants to the Buyer that the shingles on each new product shall be free from defects in material for the period specified by the shingle manufacturer.

During the period of this Limited Warranty, Sheds USA will remedy defects by repairing or replacing (at the discretion of Sheds USA) the defective materials, in accordance with the stipulations and parameters of this warranty. All inquiries for conditions not covered under this Limited Warranty requiring a service call will be assessed a Home Service Charge per home visit in addition to the cost of the repair materials and labor.

**Notification:** The Buyer must notify Sheds USA directly of any claims under this Limited Warranty within seven (7) days following the discovery of the problem.

**Right to Inspect and Timing:** Sheds USA shall have a reasonable time after notification to inspect the Product. The Buyer shall provide Sheds USA or its agents, contractors, or subcontractors with reasonable access to the location where the Product was installed for purposes of inspection. If requested by Sheds USA, the Buyer must complete and deliver to Sheds USA, at the Buyer’s expense, photographs of the product and area where the Product was installed. If reasonable access is denied or made subject to unreasonable conditions by the Buyer, or if the Buyer fails or refuses to reasonably cooperate in Sheds USA’s investigation of the claim (such as failing to provide photographs and or written documentation of the claim), Sheds USA’s obligation under this Limited Warranty shall immediately terminate. If Sheds USA determines there are defects covered by this Limited Warranty, Sheds USA will have up to ninety (90) days after receipt of notification to process the Buyer’s claim. It is the responsibility of the Buyer to perform a thorough inspection of all structures and report any concerns regarding quality or workmanship to Home Installation Professionals within 7 days of the installation date. The repair or replacement of any defect shall not create a new period of warranty or extend the original warranty period.

This Limited Warranty shall not apply to any defect resulting from the failure of the purchaser to follow the recommendations for care and maintenance as set forth in the documentation received from the company or available for your review on the company website. This documentation mandates that all products requiring paint or stain must be properly prepared and treated within 60 days from the delivery date and repeated in accordance with the guidelines set forth by the stain/paint manufacturer. Discoloration is normal and will be visible on all surfaces that require painting or staining the longer the products sit unfinished.
