WHAT IS COVERED

We warrant the frame to be free of manufacturing defects to the original purchaser for two years.

WHAT IS NOT COVERED

It remains the customer's responsibility for freight and packaging charges to and from our service center. This warranty does not cover commercial use, hardware, acts of nature, fire, freezing and abusive use. In addition purchased parts are not covered under this warranty. We reserve the right to make substitutions with similar merchandise, if the model in question is no longer in production.

Care Instructions

Before using, wipe with a clean, dry cloth. Do not use bleach or solvents. Treat the frame with liquid wax for maximum protection against UV light and salty, damp air. When not in use, store furniture in a cool, dry place. If the set includes cushions or mesh fabric, they may be cleaned by hand with a mild solution of soap and water. Rinse cushions thoroughly and allow to drip dry. Do not machine wash or tumble dry, as cushions may shrink. Do not use bleach or solvents on fabrics. When cleaning the tabletop make sure to use a soft, clean cloth that does not bleed color.
