

Portable TRISTAND® Chain Vise

NEW

Handle tough welding, threading and grooving demands!

Our *new* portable chain vise stands can handle pipe up to 12" in diameter. These versatile stands are designed to meet your rugged jobsite needs year after year.

Portable 460-6 TRISTAND Chain Vise

- **Optimized Base For More Working Area** – Benders are located at the rear of the base and three tool hangers are provided.
- **Integrated Ground Lug** – Provides a conductive surface to connect the weld ground.
- **Self Hooking for 4" Pipe** – No need to use a second hand to engage the chain into the wear plate.
- **Leg Chain** – Retains legs even when subjected to rugged use during operation and transport.
- **Rugged Tool Tray** – Prolonged stability before requiring a leg adjustment.

The 460-12 has all the features of the 460-6 model Plus:

- **12" Jaws & Extended Chain** – Grip up to 1/8" - 12" pipe.
- **Adjustable Rear Leg** – Provides the ability to level the stand.

Model 460-6
Cat. No. 36273
Capacity 1/8" – 6" Dia.
Weight: 47 lbs. (21 kg)

Model 460-12
Cat. No. 36278
Capacity 1/8" – 12" Dia.
Weight: 71 lbs. (32 kg)

The model 425's lightweight and compact design make it extremely portable and perfect for service applications.

- **Portability** – The integral handle makes transporting easy. It allows for opening and closing the unit in one simple motion.
- **Lightweight Design** – At only 30 lbs, the model 425 is over 25% lighter than its 6" counterpart.
- **Stability** – The exclusive bent leg design increases stability.
- **Self-Locking Latch** – latch automatically engages when closing the stand. This added convenience eliminates the need for a leg chain.
- **Compact Work Surface** – Ideal for pipe applications ranging in size from 1/8" – 2 1/2". The work surface is equipped with two tool holders. The compact size makes it ideal to store in service trucks.

Model 425
 Cat. No. 16703
 Capacity 1/8" – 2 1/2" Dia.
 Weight: 32 lbs. (14.5 kg)

Model 40-A TRISTAND Bench Vise

- Offers the same durability as the 460-6 TRISTAND Chain Vise but with a yoke vise.

Model 40-A
 Cat. No. 40130
 Capacity 1/8" – 2 1/2" Dia.
 Weight: 48.5 lbs. (22 kg)

Distributor

WRENCHES

The flagship product that helped build our name, RIDGID® wrenches have been trusted by tradesmen for decades. Simple, time-tested designs offer exactly what you need to get the job done quickly and effectively. Available in various configurations for gripping and turning a wide range of pipe and fitting types.

STRAIGHT PIPE 12" #31015

Made of heavy duty cast iron with a pipe capacity up to 2".

STRAIGHT ALUMINUM 12" #47057

Made of durable, easy to use professional strength aluminum with a pipe capacity up to 2".

ONE STOP #27023

Two wrenches in one to install angle stops and compression couplings.

FAUCET & SINK INSTALLER #66807

Made from lightweight, high-strength plastic construction with durable aluminum inserts.

PIPE VISES & SUPPORTS

Made of strong, dependable iron, RIDGID vises and supports are versatile and rugged enough to withstand your jobsite needs year after year. Available in various sizes for handling a variety of pipe sizes and types.

VF-99 PIPE STAND

#22168
Folding design makes it easy to transport, supports up to 2,500 lbs.

425 PORTABLE TRISTAND® CHAIN VISE #16703

Supports pipe 1/8" to 2 1/2" diameter.

PIPE/TUBE CUTTING & PREPARATION TOOLS

Choose from a huge selection of pipe cutting tools that offer exclusive features designed to make cutting more efficient and your job easier. All cutters are made from heavy-duty materials to withstand any job and be dependable for years to come.

2-IN-1 CLOSE QUARTERS CUTTER #32573

Features a removable ratchet handle, designed for use in restricted spaces on small diameter hard and soft copper, aluminum, brass and plastic tubing.

- Easy control of cutting pressure for clean cuts

QUICK-ACTING TUBING CUTTER #31632

Quick-acting design, hardened wear surfaces and thrust-bearing slide assemblies for smooth operation.

- Professional strength aluminum with a pipe capacity up to 1 5/8"

PRESS TOOLS

A fast and reliable way to join copper, stainless steel and PEX, RIDGID press tools feature a swiveling barrel and a powerful 18V Lithium-Ion battery.

RP 210-B #31028

- Capacity: 1/2" to 1 1/4" (copper & stainless), 3/8" to 1 1/2" (PEX)
- Hydraulic Ram Output: 5,400 lbs. (24kN)
- Weight: 6.4 lbs. w/battery

RP 330-B #27923

- Capacity: 1/2" to 4"
- Hydraulic Ram Output: 7,200 lbs. (32kN)
- Weight: 10.0 lbs. w/battery
