ALL-WEATHER CONTOURED ADIRONDACK CHAIRS

Fusing eco-friendly, all-weather materials with strong construction and protective treatments, Hanover Outdoor presents the All-Weather Contoured Adirondack Chair. Providing long-lasting comfort and function year after year, this adirondack is constructed of durable HDPE material, an eco-friendly lumber made of purified polymers. Unlike natural wood, this material will never peel, chip, or split naturally. It resists corrosive substances, insects, salt, UV fading, and other environmental strain. Truly built to last, no painting, staining, waterproof treatment, or other maintenance required! A sturdy base and wide arm rests insure strength and stability bound together by the commercial-grade stainless steel hardware provided. Hanover stands by its durability with a 20-year limited warranty, so you can be sure this All-weather Adirondack will last you many years to come.
