

PROSHOP II, 115V, 30" RIP, CAST WINGS

725000K

The JET ProShop Table Saw offers features you expect from a high-end cabinet saw, in the compact design of a contractor-style machine. The redesigned transparent blade guard has independent leaves, and the quick release riving knife reduces chance of kickback. A low profile riving knife is included for non-through cuts. The exclusive ProShop fence system is available in 30" or 52" rip capacity.

FEATURES

- Newly designed arbor lock to change blades quickly and easily
- Quick release riving knife for hassle free riving knife changes
- Improved dust shroud around blade for greater dust collection
- Convenient, magnetic paddle switch for the safest operation possible
- Innovative single belt design for easier belt tensioning and reduced vibration.
- Motor reset switch conveniently relocated to the power switch, instead of the motor
- Low profile riving knife included
- Redesigned guard for better protection and ease of use
- On board storage for all included accessories
- CSA certified

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
