Diamond Quality Guide

We Have a Closet Door for You!

Let's agree together on something - searching for closet doors to fit your budget and style can be frustrating, confusing, and downright unpleasant. But have no fear, our Diamond Quality Guide is here to help make this experience, and eventual purchase, enjoyable for everyone.

Concord®

Trim Line®

Three Diamonds Extraordinary Quality

If you are ready to invest in closet doors that are built to last for generations, look for three diamonds on our packaging. Closet doors in this category are manufactured with state-of-the-art technology and materials that will add style and substance to any room.

Brittany®

Tranquility®

Two Diamonds Exceptional Value

Our two diamond closet door category offers the most selection in a wide-range of styles, finishes, and price points that can fit most budgets. Including yours!

Colonial®

Pacifica®

One Diamond Economical Price

Closet doors displaying a one diamond label on our packaging are crafted with precision and care, while also combining an affordable price without sacrificing quality. It's the perfect entryway to becoming part of the #CwLife!
