PRODUCT NAME: gripSTIK 10 ft. Vinyl Bullnose Outside Corner Bead

USAGE GUIDE:

Phillips gripSTIK® bullnose corner beads create a smooth, rounded look to drywall corners and are easily installed using standard industry practice. Flanges feature many perforations, deeply knurled mud anchors, and the entire product is specially textured which all greatly enhance paint and mud adhesion. The larger radius provides a more pronounced smooth and modern look

Some of the most common applications of gripSTIK 10 ft. Vinyl Bullnose Outside Corner Bead
