

# WATERPROOFING REPAIR TAPE

permanent bond

multi-surface

indoor/outdoor

NASHUA® Waterproofing Repair Tape combines tough, durable foil with tacky butyl rubber adhesive to form an instant waterproof bond that PERMANENTLY seals leaks and gaps.

- Waterproof repairs on sheet metal, metal roofing, and gutters
- Patching and repairing greenhouse panels
- Sealing leaking pipes, drains, and hoses
- Emergency repairs
- Bonds to virtually any surface
- Indoor and outdoor sealing applications

**Dependable. Reliable. Professional.**
