

Ideal for small rooms up to 155 sq. ft.; 100 AHAM Verifide Target Smoke CADR rating.

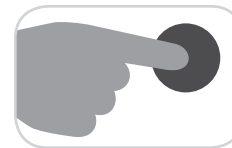

Ultra-Effective in removing 99.97% of airborne particles as small as .3 microns, including allergens, pollutants, odors and VOCs from the air that passes through the HEPA filter, pre-filter and VOC filter.

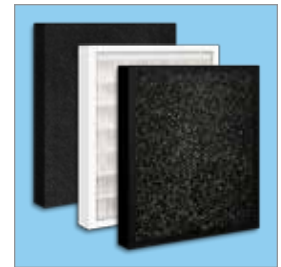

Ideal for use in nurseries, bedrooms and other areas where less noise is desired.

Saves energy and money; uses up to 40% less energy than standard models.

Customize operation including fan speed, timer settings and filter change indicators at the press of the button.
