POLY
GOR10-COM

Lawn & Garden Collection

Uses: Bricks, Rocks, Brush, Landscaping

TOUGH & STURDY

The GOR10-COM Heavy Duty Poly Cart saves time on projects and is easier to dump and unload than traditional wheelbarrow options. The rugged steel frame, 4-wheeled stability and 15" pneumatic tires make the GOR10-COM able to tackle heavy landscaping or garden projects

TOWABLE HANDLE

Easy grip handle minimizes hand discomfort while the pin-lock mechanism allows the handle to be converted to pull behind an ATV or tractor

PIVOT STEERING

The tight-turn steering is made possible by Gorilla Carts® quick-turn technology, pivoting on a center axis. The pass through design of the front and rear axles allow for maximum ground clearance and easy hauling
