

ASSEMBLY INSTRUCTIONS

NOTE:

Before assembling your new lamp, please read the following precautions and instructions thoroughly.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet one way only. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use an extension cord unless the plug can be fully inserted. Do not alter the plug.

The electrical wire is connected continuously through the poles. Do not pull wires during unpacking, bad connections may result.

Place the lamp indoor dry area only. The lamp produces very high temperature, always unplug electrical cord and allow sufficient time for bulb to cool down before replacing bulb.

1. Carefully unpack all parts from the packaging and place them on a **carpet/flat/smooth surface**. Be sure to remove all the packaging materials from the lamp. *Do not plug into the electrical outlet when installing or replacing bulb. (2 people installation recommended)
2. **Unscrew the pre-installed Screw(A), Spring Washer, and Washer from the bottom of the pipe.** Screw the Steel Pipe onto the Metal and Marble Base with the Screw(A) Spring Washer and the Washers.
3. Screw tightly with the provided Allen Wrench.
4. **Connect the Pole(A) with Pole(B) and screw it tight with screw(C) by using the provided Hex Wrench.**
5. Link up the Male and female Connector together.
6. Insert the 1 Arch Pipe into the Steel Pipe and Secure it with the Screw B.
7. **Unscrew the pre-installed Ring Cap from socket, and place the Shades onto the tips of the Arch Pipe through the Light Bulb Sockets.**
8. Thread the Ring Caps **back** onto the Light Bulbs Sockets through the Shades tightly.
9. Place the Light bulb onto the Light Bulb Socket (LED Bulbs Included)
10. Insert the plug into the wall outlet, you are ready to use.

For customer service, please email: service@artivausa.com or visit us at www.artivausa.com. We will respond within 24 hrs Monday-Friday 9am to 5pm PST(except Holiday)

WARNING:

For your long lasting uses, please use Artiva approved LED Bulbs only. Lightbulb item# A21-12TDM-E26-27-INT.

Other brand may not be compatible to Artiva LED lamp, it may cause the dimmer switch to burn out quickly, therefore void the manufacture warranty that comes with this lamp.
