**Warranty**

This product is guaranteed to be free of defects in materials and workmanship for 1 year from the date of purchase. If this product is defective, call 888-697-2389 for repair or replacement parts or return the product to the store from which it was purchased. Guarantee does not include normal wear and tear, bulbs or batteries.

**FCC Statement**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Safety Information**

**WARNING:** Prolonged exposure to pitching alarm sound may cause permanent hearing loss.

**IMPORTANT:**

- Do not expose to rain.
- Install the product at least 5 ft. from the floor to keep it out of the reach of small children.

**Operating Instructions**

**Product & Battery Installation**

- Attach the alarm to a window using the peel and stick adhesive.
- Slide off the battery cover in the lower part of the front panel.
- Install 3 fresh AG13 (LR44) button cell batteries (included). Replace the battery cover.

**Operation**

- Slide the ON/OFF switch to ON.
- The alarm enters armed status after 5 seconds of the LED flashing, and a short beep sound.
- The alarm sounds for 30 seconds upon detecting window vibration or shaking, and returns to armed status after activation.
- Slide the switch to OFF to stop the alarm at any time.

**Troubleshooting**

Problem	Solution
The device does not sound off after activation.	Ensure the battery is correctly installed, and the power switch is in the ON position.
Alarm sound becomes low.	Replace with new batteries.

**Warning**

**WARNING:** Any battery may leak harmful chemicals which may damage skin, clothing or the inside of the alarm. TO AVOID RISK OF INJURY, DO NOT LET ANY MATERIAL LEAKED FROM A BATTERY COME IN CONTACT WITH EYES OR SKIN. Any battery may rupture or explode if put in a fire or otherwise exposed to excessive heat. TO AVOID RISK OF INJURY, DO NOT EXPOSE BATTERIES TO EXCESSIVE HEAT. To reduce the risk of personal injury or harm to your alarm, take the following precautions:

- Do not use different types of batteries in the same alarm.
- When replacing batteries always replace the whole set.
- Do not use rechargeable or reusable batteries.
- Do not allow children to install batteries unsupervised.
- Follow battery manufacturer's instructions as to proper handling, storage and disposal of batteries.
