LOG RACK WITH ARROW

Please check all packing materials carefully before discarding, as some parts may be encased in the packing material.

Part List

Part No	Description	Qty	Drawings
A	U Shape Tube	2	
B	Side Fence	2	
C	Bolt	8	
D	Lock Nut	8	
E	Washer	8	

Step 1: Place the U shape tube (part A) on the floor.

Step 2: Locate one side fence (part B), then connect it on the U Shape Tube (part A) with a bolt (part C), washer (part E) and lock nut (part D). Do not tighten the bolts.

Step 2.1: When assembling, don't forget the washer (part E).

Step 3: Locate the other side fence (part B) and assemble on the other side of the u shape tube (part A) with the bolt (part C), washer (part E) and lock nut (part D). Tighten all the bolts.
