Assembly Instructions

60 in. Portable Folding Table Tennis Ping Pong Table

Step 1. Take the table out of the box and packaging.

Step 2. Release the two locks and unfold the table.

***Take care when unfolding the table, as the net, net pins, paddles and balls are stored in the space inside the table while it is folded up.**

Step 3. Unfold the legs. Make sure that the leg hinges on each of the legs are straightened out when the table is in use.

Step 4. Once all the legs have been unfolded and the leg hinges straightened, take the pins and thread them through each side of the net. Then push the pins through the holders on both sides at the midsection of the table. You're all set to play!

NOTE: The height of the two legs in the center can be adjusted with the feet (see picture to the right), so it's easier to play on uneven surfaces.
