

MSDS INFORMATION

Power Tools, Pneumatic and Cordless Nailers, Battery Packs, Battery Chargers, Hand Tools, Laser Levels and other Electronic Products sold by Stanley Black & Decker under the brands Black & Decker®, Bostitch®, Delta Machinery®, DeWalt®, Porter-Cable® or Stanley® are considered “Articles,” not “Materials,” as defined by the Occupational Safety and Health Administration’s Hazard Communication Standard, and as such are exempted from the requirements to publish MSDS sheets per the Code of Federal Regulations 29 CFR 1910.1200 (a)(6)(v).

The Code of Federal Regulations 29 CFR 1910.1200 (c) provides the following definition: “Article means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small, e.g., minute or trace amounts of a hazardous chemical (as determined under paragraph (d) of this section), and does not pose a physical hazard or health risk to employees.”

As stated above, 29 CFR 1910.1200 (a)(6)(v) exempts “Articles” from the requirements to publish MSDS sheets.

The following SKUs, however, include packaged lubricants. MSDS sheets can be provided for those lubricants, if required:

Black & Decker Cordless Chain Saw CCS818
Black & Decker Pressure Washers BDP2600 and BDP3100
Bostitch Pneumatic Nailers and Staplers SB-150SX, SB-1850BN, SB-1664FN,
PN100K, MCN150, MCN250, SB150SLBC-1, N66C-1, N66BC-1
Bostitch Compressor CAP2040ST-OL
DeWalt Compressors D55151, D55152, D55153, D55154
DeWalt Pressure Washers DPD3000IC, DPE3800X
DeWalt SDS Rotary Hammer D25404, and Cordless Rotary Hammers DC212
and DC212KN
Emglo Compressor AM782HC4V
Porter-Cable Pneumatic Nailers BN125A, BN138, BN200A, BN200B, DA250B,
FC350A, FN250B, FR350A, NS100A, NS100B, NS150B, PIN100,
PN650, RN175A
Accessory Packaged Lubricants, Nailer Fuel Cartridges, Pressure Washer
Winterizer, O-Ring kits and Rebuild Kits

Battery Packs also fall under the definition of “Articles,” and therefore do not require MSDS sheets. However, since some carriers require MSDS sheets for transportation of batteries, we can provide Safety Data Sheets upon request.
