Finished Elegance is a No Painting Required interior moulding. Just cut, install and caulk. 100% satisfaction guarenteed.

1 Plan your Finished Elegance Project

Spanish translation lorem ipsum

- Draw a floor plan of your room. (Fig 1) Use the grid provided to plot your room. (1 square = 1 foot)
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore minihit qui to commolu ptatus ma quiam expla ccaest exereicia ne mo ducilla cusaectas non net eum
- Measure each wall and note it on your plan.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- Also note the placement and size of any doors, windows, or openings in the room. It is also recommended that you identify each corner and the angle. (Fig 2)

3 Installation

Spanish translation lorem ipsum dolor evat sit quis magnithit

- Install piece by piece working around the room, installing the longest pieces first.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- Finished Elegance can be installed with your traditional moulding installation tools.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- If you are hand nailing, be sure to use a nail set to sink the nail heads slightly below the face of the Finished Elegance.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- It is recommended to nail the flat part of the surface whenever possible or where there is the least amount of curve on the face of the profile.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- If you are right handed, it is easier to install Finished Elegance counter-clockwise. If left handed it is easier to install clockwise.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- Do not use trim screws to install Finished Elegance, they will damage the surface.
Magnihit quiant vitatem dit quati odi se nis dipsandent faccusapere, quia vent volesti vent lacia expe quodit dis eatur, con nes prae quasintia perferestium ad ullabore
- The most basic cut is the mitre cut. For more information visit www.homedepot.com/moulding.
