

40 IN. SQUARE GAS FIRE PIT WITH DURASTONE TOP

**SUMMER NIGHTS FIRE PIT**

Extend your summer into fall and beyond with the Summer Nights Fire Pit by Hanover Outdoor. Your guests will naturally gather around the alluring fire pit table and will enjoy the warm ambiance that it creates. A hidden tank chamber is conveniently located within the base of the unit, along with a control panel for customizable heat output.

Hand-crafted with a golden-bronze finish, this fire pit easily blends in with other décor and includes a bag of lava rock coals to get you started. Designed for use throughout the year, the Summer Nights Fire Pit will enhance your outdoor environment and delight your guests for many years to come.
