

SHAKE WELL BEFORE USING

Cutter[®]

Kills Mosquitoes, House Flies, Fruit Flies, Gnats, Moths & Wasps

Essentials
OUTDOOR
FOGGER

Cutter[®] Essentials is a line of insecticides and insect repellents that offer protection for the entire family. The formula for Cutter Essentials Outdoor Fogger has been tested to ensure it is effective against mosquitoes and other flying insects as listed.

STOP READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

Shake well before using.

Kills flying insects, such as flies and mosquitoes, by contact. Aim spray away from person and push button to spray. Direct spray at flying insects, contacting as many insects as possible. Repeat as necessary. For best results, spray when air is calm. Wipe away any excess product.

Flying Insects – Flies, Gnats, Mosquitoes: Spray area infested with these flying insects. Hold container 5-10 ft away from shrubs, bushes and grassy areas. Spray product into the air with a slow, sweeping motion at the rate of 1 to 3 seconds per cubic yard of space while moving away from the treated area. To reduce annoyance from these pests, treat open porches and patios in the same manner. Allow spray to drift over area. Give special attention to breeding areas such as garbage cans and compost piles. Spray only when the air is still. Allow spray to dissipate before occupying the treated area.

Do not overapply to ornamental plants and shrubs, as damage to foliage may result.

This product is non-staining to most exterior home surfaces depending on age and cleanliness. Before using in areas where the spray may contact exterior home surfaces, test in an inconspicuous area and recheck in a few hours.

STORAGE AND DISPOSAL

Storage: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F - 90°F.

Container Disposal: Do not puncture or incinerate! **If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

First Aid • If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-767-9927 for emergency medical treatment information.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
