## MÖTSENBÖCKER'S LIFT OFF®

The patented, Enviro Science™ formulas of Mötzenböcker's Lift Off® break the molecular bond™ eliminating surface damage and providing fast, easy, and safe removal of stains, grease, ink, adhesives, varnish, and caulk. Lift Off® products are water-based, biodegradable, and contain low or no VOCs making them gentle for the user, the surfaces to which they are applied, and the environment.

Look for Lift Off® on YouTube for how-to videos and helpful hints.
