Safety Information

- Read all instructions before assembling and installing.
- Consult a qualified electrician for installation of this fixture.
- If you have any non-electrical questions about this fixture, please contact our Customer Service Team at 1-800-986-3460 or visit www.homedepot.com/homedecorators.
- Please reference SKU xxxx xxx xxx or (UPC 773546292870).
- Keep your receipt and these instructions for proof of purchase.

 **CAUTION:** Before starting installation of this fixture or removal of a previous fixture, disconnect the power by turning off the circuit breaker or by removing the fuse at the fuse box.

 **IMPORTANT:** Do not install this lighting system in a wet location.

 **IMPORTANT:** Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have occurred during shipping. If there is a defect in the wire, do not continue the assembly process. Please call our Customer Service Team at 1-800-986-3460.

Warranty

LIMITED WARRANTY

WHAT IS COVERED

The manufacturer warrants this lighting fixture to be free from defects in materials and workmanship for a period of five (5) years from date of purchase. This warranty applies only to the original consumer purchaser and only to products used in normal use and service. If this product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's discretion, provided that the product has not been damaged through misuse, abuse, accident, modification, alteration, neglect, or mishandling.

WHAT IS NOT COVERED

This warranty shall not apply to any product that is found to have been improperly installed, set-up, or used in any way not in accordance with the instructions supplied with the product. This warranty shall not apply to a failure of the product as a result of an accident, misuse, abuse, negligence, alteration, faulty installation, or any other failure not relating to faulty material or workmanship. This warranty shall not apply to the finish on any portion of the product, such as surface and/or weathering, as this is considered normal wear and tear. The manufacturer does not warrant and specially disclaims any warranty, whether express or implied, of fitness for a particular purpose, other than the warranty contained herein. The manufacturer specifically disclaims any liability and shall not be liable for any consequential or incidental loss or damage, including but not limited to any labor/expense costs involved in the replacement or repair of said product.

Contact Customer Care at 1-800-986-3460 or visit www.homedepot.com/homedecorators.

Pre-Installation

PLANNING INSTALLATION

Read all instructions before assembly and installation. To avoid damaging this product, assemble it on a soft, non-abrasive surface, such as carpet or cardboard. Inspect each part for defects that may have occurred during shipping. Keep your receipt and these instructions for proof of purchase.

TOOLS REQUIRED

Safety goggles

Phillips screwdriver

Flathead screwdriver

Wire strippers

Wire cutters

Ladder

HARDWARE INCLUDED

NOTE: Hardware not shown to actual size.

Part	Description	Quantity
AA	Wire nut	3
BB	Outlet box screw	2
CC	Ground screw	1
DD	Mounting screw	4
EE	Backplate	1
FF	Tapping screw	2
GG	Anchor	2

Pre-Installation (continued)

PACKAGE CONTENTS

Part	Description	Quantity
A	Inner glass (Ø50 x H135 mm)	4
B	Outer glass (Ø80 x H160 mm)	4
C	Fixture body	1

Installation

1 Installing the backplate

WARNING: Turn off power at the main fuse box.

- Carefully unpack the fixture. Lay out all the parts on a clean surface.
- Remove the backplate (EE) from the fixture body (C). Using the backplate (EE) as a guide, mark on the wall with the outlet box (not included) the locations for the anchors (GG) with a pencil (not included). Drill a 1/4 in. hole at the marks, then insert the anchors (GG). Secure the backplate (EE) to the outlet box with the outlet box screws (BB). Align the keyholes in the backplate (EE) with the anchors (GG) and insert the tapping screws (FF).

2 Making the electrical connections

NOTE: Always use the wire nuts (AA) to connect wires and push all excess wires and connections back into the junction box (not included).

- Fasten the open end of the ground wire (bare copper or green wire) to the ground wire from the junction box.
- Connect the black wire of the power supply to the black wire of the fixture and connect the white wire of the power supply to the white wire of the fixture.

- Connect the fixture wires as follows:

3 Installing the fixture body

- Attach the fixture body (C) to the backplate (EE). Then tighten the mounting screws (DD) by using a phillips screwdriver (not included).

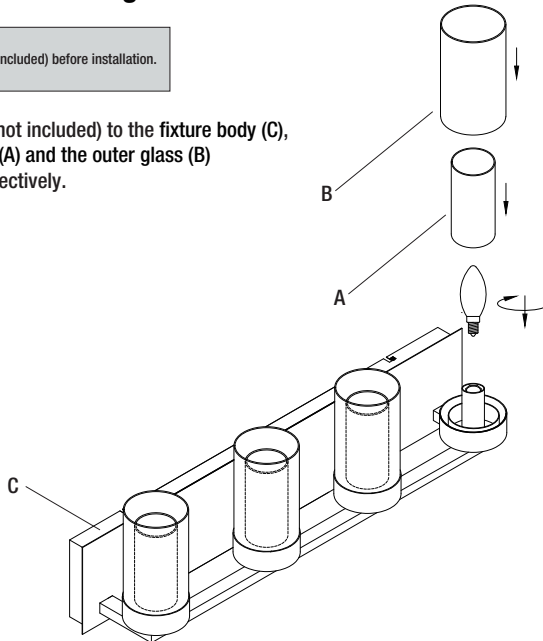

4 Installing the bulbs and the glass

WARNING: Please wear a glove (not included) before installation.

- Install the B10 60W bulbs (not included) to the fixture body (C), then install the inner glass (A) and the outer glass (B) to the fixture body (C), respectively.

FCC Statement

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

Care and Cleaning

- Clean the light fixture carefully with a soft, dry cloth. Do not use any cleaners with chemicals, solvents, or harsh abrasives.

Troubleshooting

Problem	Possible Cause	Solution
<input type="checkbox"/> The bulb will not light.	<input type="checkbox"/> The bulb is burned out.	<input type="checkbox"/> Replace the light bulb.
	<input type="checkbox"/> The power is off.	<input type="checkbox"/> Ensure that the power supply is turned on.
	<input type="checkbox"/> The circuit breaker is off.	<input type="checkbox"/> Ensure that the circuit breaker is set to the ON position.
<input type="checkbox"/> The fuse blows or the circuit breaker trips when the light is turned on.	<input type="checkbox"/> There are too many items on one circuit.	<input type="checkbox"/> Unplug the other items on the circuit. <input type="checkbox"/> Contact a qualified electrician or call the Customer Service Team at 1-800-986-3460.
