

## **79016 - Toro 50 inch Z Replacement Blade Kit**

This 3-pack of blades offers you the highest quality cutting performance for your Toro TimeCutter Zero-Turn mower. The sailed-edge blades and the Time Cutter Z cutting deck help give a high-quality cutting performance. Using new sharp blades helps produce a crisp quality of cut and contributes to the ongoing vitality of your lawn. Genuine Toro parts are designed specifically for your machine and built to exacting standards with tight tolerances. Other parts simply don't stack up to the quality, performance and value of Genuine Toro Parts.

Kit contains 3 new high-lift cutting blades for Toro Time Cutter Zero-Turn Mowers manufactured in 2007 and newer

Fits Toro TimeCutter Z models 74370, 74371, 74372, 74373, 74374, 74375, 74376 and 74630
