

Item #1001863141, 1001863147  
Model #5081

## Installation Guide

THD: 1-Gang Recessed Cable Plate

### PACKAGE CONTENTS

- (1) 1-Gang Recessed Cable Plate
- 2 phillips head screws

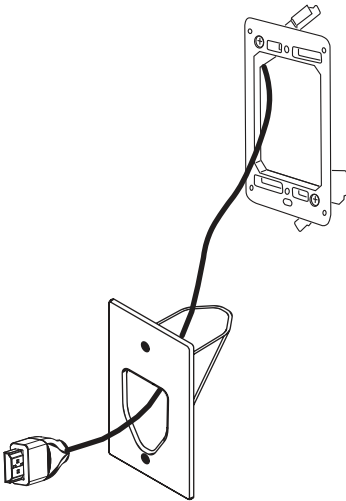

### TOOLS NEEDED

- Drywall saw
- Phillips head screwdriver

## Installation

### 1 INSTALLING THE PLATE

- After installing a low voltage mounting bracket (not included) pass your low voltage A/V cables through the opening in the plate.

### 2 CONNECTING THE BOTTOM PLATE

- Then, secure the Recessed Cable Plate to the bracket using the included screws and a phillips head screwdriver.
