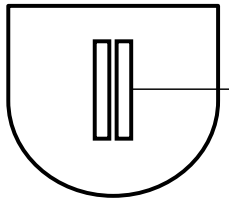
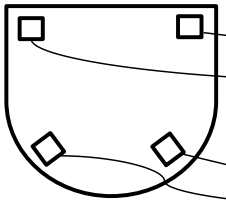
Moore Club Chair Assembly Instructions

STEP 1



Remove Legs and Hardware from the bottom of the Club Chair.

STEP 2

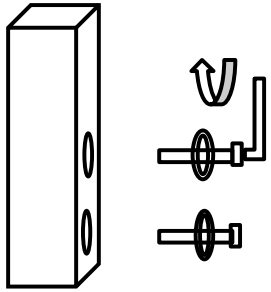


Place the 2 Curved Front Legs into the Front Leg Positions.
The Front Legs are interchangeable.

STEP 3

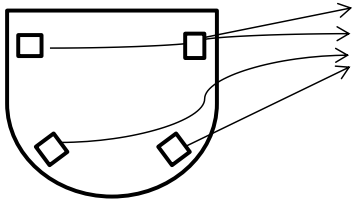
Place the 2 Angled Back Legs into the Back Leg Positions.
The Back Legs are interchangeable.

STEP 4



Tighten each bolt through the washer with the wrench clockwise.

STEP 5



Insert the bolt through the washer into each leg and tighten with the enclosed wrench.

STEP 6

Remove the WHITE protection strip from the Bottom edge of the chair and place the BLACK cover over the bottom of the Club Chair to complete.
