Providing Solutions for Every Job Type Since 1983
Protect Your Natural Stone, Tile & Grout Investment from Stains

Natural stone and grout sealers/impregnators protect surfaces from stains and allow for easier ongoing maintenance. Miracle Sealants Company is the choice of the Professional. Miracle Sealants Impregnating Sealers and Enhancers are SCS Certified INDOOR ADVANTAGE GOLD. All Miracle Sealants Impregnators/Sealers and Enhancers are backed with Industry Leading Warranties for peace of mind.

Before Sealing: Red Wine

After Sealing: Red Wine

Enhance Natural Color & Shine

When added or deepened color and luster are desired for old or new textured surfaces like tumbled, sand blasted, cleft, flamed, split face or honed surfaces (smooth but low or non-reflective), and even some polished surfaces. Miracle Sealants’ sealing and enhancing products will enhance, protect and maintain the desired look for years to come. Additionally available are products designed to maintain the beauty of highly polished surfaces on a regular basis.

Before Enhancing

After Enhancing
All Miracle Sealants cleaning products are stone, tile and grout specific and designed to work in conjunction with our protecting sealants/impregnators and color enhancers. These products will maintain the integrity of your investment for years to come. The product offering covers everything needed for day to day, week to week and as needed maintenance.

Unique, Proven & Specifically Designed for Cleaning Natural Stone, Tile & Grout

Miracle Sealants’ restorative products have been utilized around the world on some of the most prestigious properties and buildings. These products include abrasive powders to restore and maintain honed, textured and polished surfaces including natural stone, ceramic and porcelain tile. Miracle Sealants’ history regarding innovative products and procedures are the foundation for a highly competent technical support staff available for tough challenges requiring restorative procedures.

Levolution
TILE SPACING & LEVELING SYSTEM FOR:
• Floor & Wall Installations
• All Tile & Natural Stone Tiles
• All Tile Sizes

Levolution is a revolutionary tile spacing & leveling system designed for all tiles, especially large format tile. Levolutions unique system requires only one piece per intersection regardless of the tile size, so you are laying tiles instead of extra spacers. This results in more productivity, saving you time & money.

SPECIAL FEATURES:
• Interior & Exterior Use
• Fast & Level Installs
• Tile Spacer & Leveling Anchor in one piece
• Available in 3 Spacer sizes
• Endorsed & used by Industry Professionals

System Components: Evolver Tool, DeCapper Tool, Caps, Spacers
Spacer sizes: 1/16” - 1/8” - 3/16”
Spacer Profiles: (+) Cross for general stack bond, ( T ) Tee for brick pattern, (-) Flat for edges and walls.

Granite & Marble Clean & Polish
FOR USE ON SEALED STONE & HARD SURFACE COUNTER TOPS INCLUDING:
•Granite •Porcelain & Ceramic Tile
•Limestone •All other Polished & Natural Stones
•Marble •All Composite-made counter tops
•Onyx •NOT FOR USE ON FLOORS
•Quartz

Granite & Marble Clean & Polish is a convenient aerosol used for cleaning and polishing of sealed stone and all hard surface counter tops. This two-in-one product efficiently cleans and polishes in one step. Just simply spray, wipe and buff. Granite & Marble Clean & Polish contains a super wetting agent which improves the penetration of cleaning ingredients to deliver that deep clean. It also contains an environmentally friendly detergent to enhance cleaning and degreasing. After its first use this formula forms an invisible barrier to aid in the prevention of soap scum and hard water build up while adding back that surface polish.

SPECIAL FEATURES:
•Phosphate Free •Easy-to-Use
•No Rinse •Non Streaking
•Foaming Action •Fresh Clean Scent

COVERAGE: 200-400 sq. ft per 15 oz spray.
511 Impregnator –
The Original Impregnator
WATER, STAIN & SLIP PROTECTION FOR:
- Grout
- Ceramic Tile
- Porcelain Tile
- Terrazzo
- Stucco

- Weather Resistant
- Easy-to-Use
- Grout Release
- One Product = Multiple Uses
- Safe for Food Areas
- Low-Cost

COVERAGE: 200 – 1,500 square feet per gallon.
Container sizes: Gallon, Quart, Pint.

SCS Certified INDOOR ADVANTAGE GOLD
511 Seal & Enhance – One-Step Sealer & Enhancer

READY TO USE SOLVENT BASE
IMPREGNATOR/COLOR ENHANCER FOR:
• Granite
• Natural Stone
• Limestone
• Quarry Tile
• Polished Stone
• Not for Concrete/Masonry without testing

511 Seal & Enhance is a unique, solvent-base formula designed to eliminate the need to use an impregnator before using a color enhancer for maximum stain protection and superior color enhancement. 511 Seal & Enhance will enhance the color and rejuvenate the appearance of tumbled, honed, acid-washed, sandblasted, flamed, textured, even polished stone and tile surfaces. In addition, 511 Seal & Enhance revitalizes old and worn stone and tile installations. It can be used successfully in both interior and exterior environments and is freeze/thaw resistant.

SPECIAL FEATURES:
• Superior Protection
• Grout Release
• Oil & Water Resistant
• Best for Floors

COVERAGE: Approximately 250 – 4,000 square feet per gallon.
Container sizes: 55-Gallon, 5-Gallon, Gallon, Quart, Pint, 8 oz. Spray.

SCS Certified INDOOR ADVANTAGE GOLD

Grout Sealer – Natural Look Penetrating Sealer

WATER & STAIN PROTECTION FOR:
• All Sanded and Unsanded Cementitious Grout Joints.

Grout Sealer is a sealer designed for the protection of all sanded and non-sanded grout joints. Grout Sealer forms an invisible barrier that is resistant to moisture and stains while allowing vapor to escape. Grout Sealer is not a surface coating and will not alter the natural look. Grout Sealer comes with a unique Applicator Tip for easy application.

SPECIAL FEATURES:
• Applicator Tip
• Less Expensive
• Interior & Exterior Use

COVERAGE: 25 – 75 linear feet per 6 oz. bottle.
Container sizes: 6 oz. Bottle with Applicator.

511 Spray-On Grout Sealer

Penetrates and Seals Grout

511 Spray-On Grout Sealer is a convenient aerosol spray designed for the protection of all cementitious grout surfaces. 511 Spray-On Grout Sealer can be applied to the grout before it has dried or cured completely. 511 Spray-On Grout Sealer forms an invisible barrier that offers maximum stain protection without changing the natural look of the grout.

511 Spray-On Grout Sealer is recommended for both interior and exterior applications. 511 Spray-On Grout Sealer utilizes similar technology to the proven 511 Impregnator now in its 34th year of use. Can be used on all cementitious grout within 2-hours of finishing the grout process.

511 Spray-On Grout Sealer has been tested by Scientific Certification Systems passing the most stringent California Air Resources Board (CARB) section 01350 Test and has received Indoor Advantage Gold Certification.

SPECIAL FEATURES:
• Easy-to-Use
• Stain & Water Resistant
• Apply Same Day as Grouting
• Interior & Exterior Use
• Safe for Food Areas

COVERAGE: Grout: Up to 250 linear feet per 15 oz. can.

SCS Certified INDOOR ADVANTAGE GOLD

511 Anti-Slip Formula

SLIP PROTECTION FOR:
• Granite
• Limestone
• Natural Stone
• Ceramic Tile
• Porcelain Tile
• Polished Stone
• Travertine
• Concrete
• Grout
• Slate

511 Anti-Slip Formula is designed for the anti-slip protection of all tile and stone surfaces. 511 Anti-Slip Formula is not a surface coating and will not alter the natural look. All surfaces treated are less slippery.

SPECIAL FEATURES:
• Interior / Exterior
• Easy-to-Use
• Best Performance
• Weather Resistant
• Safe for Food Areas

COVERAGE: 100 – 750 square feet per quart.
Container sizes: Quart, Pint.
**511 Quartz Counter Top Sealer**

**Container sizes:** 55-Gallon, 5-Gallon, Gallon, Quart, Pint, 8 oz. Spray.

**SCS Certified INDOOR ADVANTAGE GOLD**

---

**Mira Matte – Natural Stone Color Enhancer**

COLOR ENHANCEMENT FOR TEXTURED STONE SURFACES INCLUDING:
- Flamed Granite
- Flamed Limestone
- Textured Cast Stone
- Cleft Faced Slate
- Tumbled Marble
- Textured Natural Stone

Mira Matte is a unique product designed to enhance the natural color of all flamed, sandblasted, split faced, tumbled and textured surfaces. When used with one of our penetrating sealers, Mira Matte seals and protects while leaving a beautiful, low maintenance, color enhanced satin sheen. Mira Matte allows vapor to escape while offering a scuff and weather resistant surface. Mira Matte is U.V. transparent, will not yellow and can be used on both interior and exterior applications.

**SPECIAL FEATURES:**
- Interior / Exterior
- Easy-to-Use
- U.V. Transparent
- Non-Yellowing
- Weather Resistant
- Superior Coverage

**COVERAGE:** 50 – 200 square feet per quart.

**Container sizes:** Quart.
**High-Gloss Finish Sealer**

COLOR ENHANCEMENT FOR TEXTURED STONE SURFACES INCLUDING:
- Quarry Tile
- Tumbled Marble
- Textured Natural Stone
- Cleft Faced Slate
- Textured Cast Stone

High-Gloss Finish Sealer is a unique water-base product designed to enhance the natural color of all flamed, sandblasted, split faced, tumbled and textured surfaces. When used with one of our penetrating sealers, High-Gloss Finish Sealer seals and protects while leaving a beautiful, low maintenance, color enhanced high-gloss sheen. High-Gloss Finish Sealer offers a scuff and weather resistant surface that will not yellow.

SPECIAL FEATURES:
- Interior Only
- Easy-to-Use
- U.V. Transparent
- Non-Yellowing
- Low VOC
- Superior Coverage

COVERAGE: 200 – 800 square feet per gallon.
Container sizes: Gallon, Quart.

**Marble Conditioner**

COLOR & GLOSS ENHANCEMENT FOR:
- Marble
- Terrazzo
- Agglomerates
- Travertine

Marble Conditioner is a recrystallization treatment designed to maintain the polish of marble, terrazzo and agglomerate surfaces. A floor or hand buffer is necessary for this procedure. We recommend using a Marble Master MM 1000 (150 lbs & 175 rpm) floor machine or hand machine with the appropriate steel wool pads.

SPECIAL FEATURES:
- Easy-to-Use
- Makes Surface Harder
- Cost Effective
- Enhances the Polish
- Improves Slip Resistance
- Removes Light Scratches
- Enhances the Color
- Removes Etch Marks

COVERAGE: 1,000 – 5,000 square feet per gallon.
Container sizes: Gallon, Quart.

**Matte Finish Sealer**

COLOR ENHANCEMENT FOR TEXTURED STONE SURFACES INCLUDING:
- Quarry Tile
- Tumbled Marble
- Textured Natural Stone
- Cleft Faced Slate
- Textured Cast Stone

Matte Finish Sealer is a unique product designed to enhance the natural color of all sandblasted, split faced, tumbled and textured surfaces. When used with one of our penetrating sealers, it seals and protects while leaving a beautiful, low maintenance, color enhanced satin sheen. Matte Finish Sealer offers a scuff and weather resistant surface that will not yellow.

SPECIAL FEATURES:
- Interior Only
- Easy-to-Use
- U.V. Transparent
- Non-Yellowing
- Low VOC
- Superior Coverage

COVERAGE: 200 – 800 square feet per gallon.
Container sizes: Gallon, Quart.

**Stone Polish**

NATURAL STONE POLISH FOR:
- Counter Tops
- Vanities
- Fireplaces
- Walls
- Terrazzo
- Travertine

Stone Polish nourishes and enriches the natural beauty and polish of marble, granite, agglomerate, terrazzo, stone counter tops, vanities, fireplaces and walls. Stone Polish is not recommended for floors. Stone Polish is easy to use, with no machinery necessary for removal.

SPECIAL FEATURES:
- Easy-to-Use
- High Shine
- NOT FOR FLOORS
- Non-Yellowing
- Low VOC
- Superior Coverage

COVERAGE: Up to 3,000 square feet per gallon.
Container sizes: Gallon, Quart.

**Miracle Grout Pen**

DON’T BLEACH YOUR GROUT...RENEW IT!
The safe, easy way to maintain beautiful tile areas by covering up stubborn stained grout! Much easier to use than traditional grout colorants, Miracle Grout Pen Markers dry rapidly and leave a clean, uniform grout line without harsh chemicals and is completely odorless – no fumes!

SPECIAL FEATURES:
- Covers Mildew Stains
- Easy-to-Use
- Non-Slip Comfort Grip
- Reversible Nib
- Odorless
- Multiple Colors (white & buff)
- Non-Toxic
- Most Grout Manufacturer Colors Available

COVERAGE: Up to 175 linear feet of average grout lines. Approximately 40 square feet.
**Counter Kleen**

**MAINTENANCE CLEANER FOR:**
- Marble
- Travertine
- Ceramic Tile

Counter Kleen is a unique formula designed to remove dirt, dust and light stains from polished natural stone, ceramic tile counters, vanities and furniture. No rinsing, no streaking and no soapy residue. Just spray and wipe.

**SPECIAL FEATURES:**
- Easy-to-Use
- Non Streaking
- Safe for Food Areas

**COVERAGE:** Coverage will vary depending on surface materials. Used as directed, Counter Kleen will cover up to 500 square feet per 32 ounces.

**Container sizes:** 32 oz. Spray, 8 oz. Spray.

---

**Tile & Stone Cleaner - All Purpose Cleaner**

**REGULAR CLEANING FOR ALL SURFACES INCLUDING:**
- Granite
- Limestone
- Travertine
- Natural Stone
- Quarry Tile
- Porcelain Tile
- Grout
- Slate

Tile & Stone Cleaner is a pH neutral cleaner designed for all tile, stone, grout and masonry surfaces. Strong enough for the professional, yet gentle enough for the do-it-yourself specialist. Tile & Stone Cleaner is a nontoxic cleaner that can handle the most difficult stains, yet is gentle enough for everyday use. It comes in both a ready to use spray and a concentrate for diluting options.

**SPECIAL FEATURES:**
- Interior / Exterior
- Safe For Regular Use
- One Product = Multiple Uses
- Easy-to-Use
- Safe for Food Areas
- No Odor

**COVERAGE:** 1,000 – 10,000 square feet per gallon.

**Container Size:** Gallon, Quart, 32 oz. Spray, 8 oz. Spray.

---

**511 Kleen & Reseal**

**SPRAY & WIPE CLEANER & RE-SEALER FOR:**
- All Ceramic Tile
- Quartz
- Polished or Unpolished Natural Stone

511 Kleen & Reseal is a unique formula designed to remove dirt and soil from natural stone and tile, including vanities, showers and furniture and reseals in one easy step. 511 Kleen & Reseal will cut through dirt and soil with no rinsing, streaking or soapy residue left behind. 511 Kleen & Reseal is safe for all types of surfaces.

**SPECIAL FEATURES:**
- Contains 511 H2O Plus
- Neutral pH is Safe for All Surfaces
- No Acid
- Non Abrasive
- Safe for Food Areas
- Re-Seals with Each Use
- No Scrubbing
- Safe for Counters
- Ready-To-Use

**COVERAGE:** Coverage will vary depending on surface product is used upon. 511 Kleen & Reseal will cover up to 500 square feet per 32 ounces.

**Container size:** 32 oz. Spray, 8 oz. Spray.

---

**Epoxy Grout Film Remover**

**TO REMOVE EPOXY GROUT FILM FROM:**
- Ceramic Tile
- Natural Stone
- Porcelain Tile
- Concrete

Epoxy Grout Film Remover is a non-acid cleaner designed for the removal of epoxy grout film from tile, concrete and stone surfaces.

**SPECIAL FEATURES:**
- Fast-Acting
- Low Odor
- Easy-to-Use
- Biodegradable

**COVERAGE:** 250 – 500 square feet per gallon.

**Container sizes:** Gallon, Quart.
**Phosphoric Acid Cleaner**

**FAST-ACTING PHOSPHORIC ACID CLEANER FOR:**
- Concrete
- Non-Polished Natural Stone
- Ceramic & Porcelain Tile
- Masonry Surfaces

Cleaning for cast surfaces including pre-cast concrete, non-polished natural surfaces including flamed and honed granite, tumbled and honed marble, cleft and honed slate, quarry tile, flamed and honed limestone, unglazed ceramic tile, porcelain tile, cement grout, brick, concrete, mortar and masonry. Removes cementitious grout residue and dirt build up.

**SPECIAL FEATURES:**
- Interior / Exterior
- Inexpensive
- Easy-to-Use
- Milder Than Other Acidic Cleaners
- Fast-Acting
- Dilutable

**COVERAGE:** 500 – 2,500 square feet per gallon with standard dilution. 

**Container sizes:** Gallon, Quart.

---

**511 Porcelain & Ceramic Tile Clean & Reseal**

**SPRAY & WIPE CLEANER & RE-SEALER FOR:**
- All Ceramic Tile
- Porcelain Tile

A unique formula designed to remove dirt, soil and water stains from ceramic tile and porcelain tile including vanities, counters, flooring and more. This product cuts through dirt and soil with no rinsing, streaking or soapy residue left behind and is safe for all types of surfaces. It is necessary to seal surfaces first with an appropriate 511 Porcelain & Ceramic Tile Sealer before using this maintenance product.

**SPECIAL FEATURES:**
- Re-Seals with Each Use
- Neutral pH is Safe for All Surfaces
- No Scrubbing
- No Acid
- Safe for Food Areas
- Easy-to-Use

**COVERAGE:** Coverage will vary depending on surface. 511 Porcelain & Ceramic Tile Clean & Reseal will cover up to 500 square feet per 32 ounces.

**Container size:** 32 oz. Spray.

---

**Liquid Poultice**

**SPECIALTY DEEP CLEANING ACTION FOR MOST SURFACES INCLUDING:**
- Marble
- Sandstone
- Brick
- Grout
- Limestone
- Flagstone
- Masonry
- Clay Pavers

Liquid Poultice is an environmentally safe, biodegradable cleaner designed for deep cleaning all porous stone materials and grout including acid sensitive surfaces. The cleaning action of Liquid Poultice penetrates deep into the pores of the surface to safely lift out various types of dirt and grime. Liquid Poultice is especially effective for cleaning organic materials like coffee and tea.

**SPECIAL FEATURES:**
- Biodegradable
- Environmentally Safe
- Interior / Exterior
- Easy-to-Use
- Non-Acid

**COVERAGE:** 500 – 1,000 square feet per gallon.

**Container sizes:** Gallon, Quart.

---

**Porcelain & Ceramic Tile Cleaner**

**A CONDITIONING CREME CLEANER FOR:**
- Ceramic Tile
- Mosaic Tile
- Non-Polished Natural Stone
- Glazed Tile

Porcelain & Ceramic Tile Cleaner is a unique penetrating scouring compound that quickly and easily removes stubborn stains, grease, soap scum, heel and scuff marks, dirt and everyday grime. Porcelain & Ceramic Tile Cleaner can be used by hand or with a floor machine and will also clean grout very well. Porcelain & Ceramic Tile Cleaner will also remove hard water deposits and soap scum on non-polished stone showers.

**SPECIAL FEATURES:**
- Clinging Action
- Abrasive Action
- Environmentally Friendly
- Easy-to-Use
- No Harsh Chemicals

**COVERAGE:** 2,000 – 4,000 square feet per gallon.

**Container sizes:** Gallon, Quart.
Residue Remover
SEALER RESIDUE REMOVER FOR:
• Granite
• Natural Stone
• Porcelain Tile
• Ceramic Tile
• Grout
• Concrete
Residue Remover is a unique solvent-base formula designed to remove accumulated sealer residue build-up on the surface, due to over applying solvent-base penetrating sealers/impregnators. Residue Remover is also useful for cleaning application tools for re-use.

SPECIAL FEATURES:
• Professional Grade
• Easy-to-Use
• Fast-Acting
COVERAGE: Used as directed, Residue Remover will cover approximately 500 – 2,000 square feet per gallon.
Container sizes: Gallon, Quart.

Limestone/Travertine Soap
SPECIALTY NO-RINSE MAINTENANCE CLEANER FOR:
• Honed & Textured Limestone
• Honed Terrazzo
• Honed & Textured Marble
Limestone/Travertine Soap is a specially formulated no rinse stone soap designed for easy ongoing maintenance of honed, tumbled, textured limestone, marble, travertine, terrazzo and other stone containing calcium. Limestone/Travertine Stone Soap only reacts with the calcium in the stone so there is no risk of buildup like a traditional floor coating. Non-textured surfaces can be buffed with a floor machine and white nylon pad for added patina or shine. Helps recreate an old world finish.

SPECIAL FEATURES:
• Biodegradable
• Hides Scratches & Etch Marks
• Non-Toxic
• Does Not Build Up
• No-Rinse
• Easy-to-Use
COVERAGE: 1,000 – 7,000 square feet per gallon with recommended dilution ratios.
Container sizes: Gallon, Quart.
**Product Information**

### Quartz Counter Top Cleaner

**Maintenance Cleaner For:**
- Quartz
- Engineered Stone

Quartz Counter Top Cleaner is a unique formula designed to remove dirt, dust and light stains from quartz, vanities and furniture. No rinsing, no streaking and no soapy residue. Just spray and wipe.

**Special Features:**
- Easy-to-Use
- Safe to Use
- Non Streaking
- No Rinse

**Coverage:**
Coverage will vary depending on surface materials. Used as directed, Quartz Counter Top Cleaner will cover up to 500 square feet per 32 ounces.

**Container Sizes:** 32 oz. Spray.

### Miracle Heavy-Duty Cleaner (Acid Substitute)

Ready-to-use NO-VOC cleaner as strong as an acid without the harmful effects.

- Granite
- Natural Stone
- Limestone
- Quarry Tile
- Polished Stone
- Concrete/Masonry Surfaces

Miracle Heavy-Duty Cleaner is a revolutionary patent-pending water-base industrial cleaner designed to remove grout haze, built-up grease, dirt and stains from all ceramic, porcelain, grout, glass and Natural stone. Miracle Heavy-Duty Cleaner will not hurt or remove the finish or polish on acid sensitive surfaces including marble. Now for the first time an industrial strength cleaner as strong as an acid without the harmful effects.

Miracle Heavy-Duty Cleaner addresses dirt and grime at the molecular layer penetrating deep underneath the staining agent. It is a non-corrosive water based cleaner with a mild PH. It leaves behind a monomolecular layer bonded to the surface that makes the surface more resistant to future dirt and stain build-up. Unlike acid cleaners, it will not harm your skin even though one should always wear protective gloves and eye protection as an extra safety precaution whenever cleaning any surface. This product is stable in both hot and cold climates.

**Special Features:**
- Industrial Strength
- OK for Acid Sensitive Materials
- OK on Polished Surfaces
- Easy-to-Use
- No-VOC
- Great for Grout Haze Removal
- Ready-to-Use (One Step)
- Fast Acting

**Coverage:** 175 – 350 square feet per gallon.

**Container Sizes:** Gallon, Quart.

### Granite Brite

A Unique Non-Wax Polishing Compound For:
- Most Natural Granites.

Granite Brite is a no-wax compound designed for the polishing or color enhancement of new and worn granite surfaces, primarily floors. Granite Brite contains only high quality abrasives. Must be used with a floor or hand machine.

**Special Features:**
- Easy-to-Use
- Fast & Effective
- Polishes
- Non-Yellowing
- Non-Wax/Coating
- Brightens

**Coverage:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, Granite Brite will cover approximately 160 square feet per 1-pound container.

**Container Sizes:** 1-Pound, 5-Pound and 40-Pound Containers.

### Mira Dust

Fast-Acting Polishing Compound For:
- Marble
- Travertine
- Terrazzo
- Limestone

Mira Dust is a unique, fast-acting polishing powder designed to enhance the natural shine of natural stone surfaces. Mira Dust will remove light scratches and acid etch marks in addition to polishing. Mira Dust can be used for the final polish of a restoration process or for use as an easy ongoing maintenance procedure. Must be used with a floor or hand machine.

**Special Features:**
- Easy-to-Use
- Non-Oxalic Acid
- Non-Wax/Coating
- Polishes
- Blends Well

**Coverage:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, Mira Dust will cover approximately 150 - 300 square feet per 1-pound container.

**Container Sizes:** 1-Pound, 5-Pound and 40-Pound Containers.
**Tile Brite**

**UNIQUE, NATURAL POLISHING COMPOUND FOR:**
- Porcelain Tile
- Ceramic Tile
- Glazed Tile
- Mosaic Tile

Tile Brite is a unique, natural, non-wax powder compound designed for the polishing of most tiles. Tile Brite will produce a long lasting luster, while providing durable slip resistance. Available in three colors. Must be used with a floor or hand machine.

**SPECIAL FEATURES:**
- Easy-to-Use
- Fast & Effective
- Non-Yellowing
- Non-Coating/Wax
- Natural Non-Wax Formula

**COVERAGE:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, Tile Brite will cover approximately 80 - 115 square feet per 1-pound container.

**Container sizes:** 1-Pound, 5-Pound and 40-Pound Containers.

---

**Mira Hone**

**FOR USE ON WORN STONE SURFACES:**
- Marble
- Travertine
- Terrazzo
- Limestone

Mira Hone is a unique, natural, non-wax powder compound for honing and deep cleaning marble, travertine, limestone and terrazzo. Mira Hone can effectively be used on floors with “lippage” to remove scratches, etch marks, light weight traffic patterns. Mira Hone can be used to prepare the stone surface prior to using one of the Miracle Sealants final polishing products. Must be used with a floor or hand machine.

**SPECIAL FEATURES:**
- Easy-to-Use
- Fast & Effective
- Blends & Cleans
- Cost Effective
- Non-Acid

**COVERAGE:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution left on surface and application methods. Used as directed, Mira Hone will cover approximately 80 - 115 square feet per pound.

**Container sizes:** 1-Pound, 5-Pound and 40-Pound Containers.

---

**Tile Restor**

**UNIQUE, NATURAL HONING COMPOUND FOR:**
- Porcelain Tile
- Ceramic Tile
- Glazed Tile
- Mosaic Tile

Tile Restor is a unique, natural, non-wax powder compound designed for honing heavily damaged tile. Tile Restor prepares the damaged surface for final polishing with Tile Brite. Must be used with a floor or hand machine.

**SPECIAL FEATURES:**
- Easy-to-Use
- Fast & Effective
- Non-Yellowing
- Cost Effective
- Non-Coating/Wax
- Natural Non-Wax Formula

**COVERAGE:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, Tile Restor will cover approximately 80 - 115 square feet per 1-pound container.

**Container sizes:** 1-Pound, 5-Pound and 40-Pound Containers.

---

**Water Ring & Etch Remover**

**UNIQUE POLISHING COMPOUND FOR MAINTAINING:**
- Marble
- Travertine
- Terrazzo
- Limestone
- Other Natural Stone

Water Ring & Etch Remover is a unique, fast-acting polishing powder specially formulated to remove water rings, light scratches and etch marks. Can be used with a floor or hand machine.

**SPECIAL FEATURES:**
- Non-Oxalic Acid
- Fast & Effective
- Cost Effective
- Easy-to-Use
- Natural Non-Wax Formula

**COVERAGE:** Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution is left on the surface and application methods. Used as directed, Water Ring & Etch Remover will cover approximately 37.5 - 75 square feet per 4-ounce container.

**Container sizes:** 4-Ounce Bottle.
**Miracle Travertine Fill Kit**

**COLOR MATCHED FILL FOR:**
- All Travertine
- All Limestone

Miracle Travertine Fill Kit permanently repairs holes, missing travertine fill and cracks. The search is over for an easy-to-use complete travertine fill kit. With both light and dark powder included, the color matching options are endless.

**SPECIAL FEATURES:**
- Dries to a Matte Finish
- Increased Durability
- Just Add Water, Mix and Apply

**COVERAGE:** 50 – 200 square feet per pint (depending on holes per sq ft).

**Container sizes:** 1 - 8 oz. Light, 1 - 8 oz Dark container per box.

## Product Coverage

### Penetrating Sealers
- 511 Impregnator
- 511 Porous Plus
- 511 H2O Plus
- 511 Seal & Enhance
- 511 Spray On Grout Sealer
- Tile, Stone & Grout Sealer
- 511 Anti-Slip
- Grout Sealer
- 511 Quartz Counter Top Sealer
- 511 Porcelain & Ceramic Tile Sealer
- 511 Porcelain & Ceramic Tile Reseal

### Color & Gloss Enhancers
- 511 Seal & Enhance
- Mira Matte
- High-Gloss Finish Sealer
- Matte Finish Sealer
- Marble Conditioner
- Stone Polish
- Grout Pen

### Cleaners
- Counter Kleen
- 511 Kleen & Reseal
- Limestone/Travertine Stone Soap
- Residue Remover
- Epoxy Grout Film Remover
- Liquid Poultice
- Porcelain & Ceramic Tile Cleaner
- Phosphoric Acid Cleaner
- Heavy-Duty Acidic Cleaner
- Finish Sealer Stripper
- Mira Strip
- Poultice Plus
- Tile & Stone Cleaner
- Quartz Counter Top Cleaner
- Miracle Heavy-Duty Cleaner (Acid Substitute)
- Granite & Marble Clean & Polish

### Problem Solvers
- Residue Remover - *Sealant Excess Remover*
- Epoxy Grout Film Remover
- Liquid Poultice - *Non Acid Deep Cleaner*
- Porcelain & Ceramic Tile Cleaner
- Phosphoric Acid Cleaner - *Medium Acid Cleaner*
- Poultice Plus - *Deep Stain Remover*
- Heavy-Duty Acidic Cleaner - *Strong Acid*
- Finish Sealer Stripper - *Water Base*
- Miracle Heavy-Duty Cleaner

### Coverage

- 511 Impregnator: 500—4,000 sq. ft. per gal.
- 511 Porous Plus: 500—4,000 sq. ft. per gal.
- 511 H2O Plus: 500—1,500 sq. ft. per gal.
- 511 Seal & Enhance: 250—4,000 sq. ft. per gal.
- 511 Spray On Grout Sealer: 250 Linear ft. per 15 oz.
- Tile, Stone & Grout Sealer: 200—1,500 sq. ft. per gal.
- 511 Anti-Slip: 100—750 sq. ft. per quart.
- Grout Sealer: 25—75 linear ft. per 6 oz.
- 511 Quartz Counter Top Sealer: Up to 250 sq. ft. per 16oz.
- 511 Porcelain & Ceramic Tile Sealer: Up to 500 sq. ft. per gal.
- 511 Porcelain & Ceramic Tile Reseal: Up to 500 sq. ft. per 32oz.
- 511 Seal & Enhance: 250—4,000 sq. ft. per gal.
- Mira Matte: 50—200 sq. ft. per quart
- High-Gloss Finish Sealer: 200—800 sq. ft. per gal.
- Matte Finish Sealer: 200—800 sq. ft. per gal.
- Marble Conditioner: 1,000—1,500 sq. ft. per gal.
- Stone Polish: Up to 3000 sq. ft. per gal.
- Grout Pen: 175 linear feet of average grout
- Counter Kleen: Up to 500 sq. ft. per 32 oz.
- 511 Kleen & Reseal: Up to 500 sq. ft. per 32 oz.
- Limestone/Travertine Stone Soap: Approx. 500—7,000 sq. ft. per gal.
- Residue Remover: 500—2,000 sq. ft. per gal.
- Epoxy Grout Film Remover: 250—500 sq. ft. per gal.
- Liquid Poultice: 500—1,000 sq. ft. per gal.
- Porcelain & Ceramic Tile Cleaner: 2,000—4,000 sq. ft. per gal.
- Phosphoric Acid Cleaner: 500—2,500 sq. ft. per gal.
- Heavy-Duty Acidic Cleaner: 200—4,000 sq. ft. per gal.
- Finish Sealer Stripper: 200—300 sq. ft. per gal.
- Mira Strip: 200—400 sq. ft. per gal.
- Poultice Plus: 5—10 sq. ft. per 1 lb.
- Tile & Stone Cleaner: 1,000—10,000 sq. ft. per gal.
- Quartz Counter Top Cleaner: Up to 500 sq. ft. per 32 oz.
- Miracle Heavy-Duty Cleaner (Acid Substitute): 175—350 sq. ft. per gal.
- Granite & Marble Clean & Polish: 200—400 sq. ft. per 15 oz.
**Tips**

**Use Only Products Designed to be Used on Natural Stone, Ceramic/ Porcelain Tile & Grout**

Avoid using general cleaners not specifically designed for natural stone, ceramic/porcelain tile or grout. Some of these general cleaners (i.e. off the shelf bathroom, tile and grout cleaners) may contain harmful chemicals that may damage natural stone as stone is sensitive to certain chemicals. Miracle Sealants Cleaners are specifically designed for cleaning Natural Stone, Ceramic/Porcelain Tile and Grout. (See product recommendation chart for appropriate products for your particular substrate).

**Different Stains Require Different Cleaners**

For general cleaning daily (or as needed) Miracle Sealants Cleaners can be used as directed on any type of natural stone, ceramic/porcelain tile or grout. Refer to product recommendation chart for appropriate products to be used on specific surfaces.

For soap scum, hard water build up, efflorescence or heavy dirt buildup Miracle Sealants Heavy-Duty Acidic Cleaner can be used as directed. This type of cleaner should NOT be used on acid sensitive natural stones (polished marble, limestone or travertine). For acid sensitive stone use Miracle Heavy Duty Cleaner (Acid Substitute). Refer to the product recommendation chart for appropriate products to be used on specific surfaces. For porcelain and ceramic tile, you can also use Porcelain & Ceramic Tile Cleaner, Tile & Stone Cleaner or Heavy Duty Cleaner (Acid Substitute) to clean soap scum.

**Before Resealing “Clean It!”**

When the time comes to re-seal your natural stone, ceramic/porcelain tile & grout, be sure that it is sufficiently cleaned. Refer to product recommendation chart for appropriate products to be used on specific surfaces.

For additional cleaning tips and general information go to miraclesealants.com

**Questions**

**Why should my stone, tile and grout be sealed?**

You have made a big investment and should not stop with just the installation of it. By sealing your stone, tile or grout you’re providing a barrier against staining agents becoming permanently imbedded. Properly sealed surfaces will last longer, resist stains, be less slippery and be easier to clean and maintain.

**What Miracle products should I use for a new installation?**

A. Miracle 511 Sealer of choice for grout release.
B. Miracle Grout Shield New & Improved as a grout additive to protect grout.
C. Miracle cleaners for grout clean-up.
D. Miracle 511 Sealer for final sealing of tile, stone or grout.
E. Miracle products for on-going maintenance.

**Are 511 products toxic?**

Although 511 Impregnator is a solvent, it is only a 1 on the toxicity level (0 - 4). That is equal to laundry detergent. It is non-flammable and is OK for use in food prep areas.

All 511 Products have been tested by Scientific Certification Systems and has passed the stringent California Air Resources Board (CARB) Section 01350 test requirements making it certified for Indoor Advantage Gold (SCS-IAQ-01615).

**What is the general cost for 511 sealants?**

$.03 - $.48 per square foot depending on product used and surface applied to.

**How frequently should I reapply?**

The products longevity will vary depending on the surface texture, type of stone, tile or grout, where it is located, what type of wear the surface is exposed to, etc. Typically, we recommend re-application on flooring every 1 - 3 years for commercial flooring and every 3 - 10 years for residential flooring. We recommend reapplication every 1 - 20 years on counters and every 3 - 20 years on vertical surfaces.

**Is there a warranty with each specific product?**

• 20 Year Satisfaction Guaranteed - 511 Impregnator, 511 Porous Plus and 511 Seal & Enhance.
• 10 Year Satisfaction Guaranteed 511 H20 Plus.
• Lifetime Warranty - Miracle Grout Shield New & Improved.
Questions

What's the difference between solvent based and water based?
Both are vehicles that take the protection (silicone and or polymers) into the substrate. Solvents work much better for this as they can penetrate the denser materials like polished granites and even porcelain tile where water base cannot penetrate these denser surfaces.

Are there better sealants for showers?
Miracle recommends using solvent base sealers for use in the shower.

Are there better sealants for floors?
Miracle recommends using solvent base sealers for use on floors.

Are there better sealants for counter tops / food prep areas?
As long as it is food safe we recommend the best performing 511 product for the particular tile or stone.

Do you apply enhancers first, then seal? or vice versa?
When using 511 Seal & Enhance the product is sealer and color enhancer in one. So you use the product as you would any other impregnator. Seal prior to grouting as a grout release. Seal after grout has been removed to protect grout.

With Mira Matte you would use 511 Impregnator as a grout release prior to applying Mira Matte. After the grout haze has been completely removed, apply Mira Matte as directed.

Will the 511 products make the surface slippery?
No. All surfaces treated will be less slippery. 511 Anti-Slip is specifically designed for this purpose.

What is the estimated time to seal a new installation including prep and clean-up for a 100 square foot room?
With a new installation just using one of our sealants as a grout release before grouting will save up to 50% in labor with grout clean up after grouting. With proper prep for surrounding areas it should take no more than 2 or 3 hours to do 100 square feet.

What is a grout release?
A grout release is a product applied to the surface of the stone or tile before grouting. This step keeps the grout dye from penetrating into the surface and allows faster grout clean up. All 511 Products and Tile, Stone & Grout Sealer will work as a grout release when used properly.

What product is used/recommended to protect sanded and non-sanded grout?
During a new installation, use Miracle Grout Shield New & Improved in place of water for improved strength and stain resistance. For existing installations, use Miracle 511 Sealers.

What products will clean my counter tops and bathrooms?
Miracle Tile & Stone Cleaner, Counter Kleen, Miracle Heavy-Duty Cleaner (Acid Substitute) or Granite & Marble Clean & Polish.

How do I apply the product?
A QR Code on each product label has a 45 - 60 second how-to video and direct link to our technical support.

What applicators are needed for applying sealants?
Miracle Sealants Applicator and Tray.

How do I maintain surfaces after sealing?
For your specific application, see the Care Guides at www.miraclesealants.com/download/care_guides_com.pdf

Which sealants dramatically change the look of the stone?
511 Seal & Enhance, Mira Matte, High-Gloss Finish Sealer or Matte Finish Sealer.

Which sealants are transparent?
The Plan – What it Covers

The Miracle Sealants 511 Counter Top Protection Plan enhances the benefits of products that have been successfully used on more than 20 billion square feet of natural stone and tile surfaces worldwide. The 511 Counter Top Protection Plan covers most polished granite counter tops.

The 511 Counter Top Protection Plan warrants against staining from common household food and beverage items including Coffee, Tea, Red Wine, Mustard, Ketchup and Cooking Oil for up to 20 years. Peace of mind has never been so close with the best warranty program on the market.

The Sealers

The professional’s choice of premium grade high performance sealers/impregnators in the tile and stone industry for more than 34 years. Names you have come to trust, 511 Porous Plus, 511 Seal & Enhance and 511 H2O Plus have long satisfied the needs of the tile and stone industry. These products protect the surface from stains and water penetration and now they come backed with the 511 Counter Top Protection Plan! Miracle Sealants Company is the only company to offer a protection plan on 3 sealers / impregnators – 511 Porous Plus, 511 Seal & Enhance and 511 H2O Plus offering the customer a choice of professional protection products to fit their individual needs.

The Warranty

Miracle Sealants Company warrants to the Original Purchaser of polished granite counter tops, when treated with one of the three 511 Sealer product offerings, the surface will be resistant to stains caused by common food and beverages for a period of 20 years from the date of completed installation when maintained with recommended Miracle Sealants maintenance products.

Exclusions
1. Replacement costs for labor and installation materials such as tile,
natural stone, grout, setting materials, under floor heating, electrical,
plumbing and any other costs associated with the installation.
2. Improper installation.
3. Improper use of maintenance and household products.
4. Ordinary wear & tear.
5. Grout related issues including but not limited to staining, color
variation, discoloration, cracking, chalking, mildew or mold.
6. Any item which might be expected to damage the product including
but not limited to: abuse, negligence, falling objects, fire, earthquake,
tornado or other natural disaster, exposure to extreme heat or accident.
7. Commercial use which constitutes store, office or other place of
business.
8. Outdoor use.
9. Variations between field and trim; tile and stone.
10. Natural variations from design and color samples or photos.
11. Any color or shade variations, different markings, holes, pits,
inclusions, veining, density and any element inherent to natural stone
and tile surfaces.

Procedure for Making a Claim
The original purchaser must notify Miracle Sealants Company of the
defect in writing within 30 days of discovery. Original Purchaser must
supply unused product and the original purchase receipt. Failure to
produce documentation renders warranty null and void in its entirety.
No claim will be honored unless Miracle Sealants Company is given an
opportunity to inspect the allegedly defective product. Failure to produce
product for inspection renders the warranty null and void in its entirety.
After inspection, Miracle Sealants Company will replace product or at its
option, refund of the purchase price of the product.

Some states do not allow exclusion or limitation of incidental or
consequential damages.

Standard Warranty (All Products)
Miracle Sealants warrants these products to be free of defects. In the
event the product is proven defective, Miracle Sealants will replace the
product free of charge, or at its option, refund the purchase price paid as
evidenced by the purchaser’s receipt.
